VOL. 100. NO. 76

ANOTHER PENNANT IS WON BY GREENSBORO PATRIOTS

LOCALS TAKE FOUR OF FIVE GAMES PLAYED WITH HIGH POINT CLUB.

Again the Piedmont league pennant is the proud possession of the princely Patriot players. Winning the championship series for 1921 was finally accomplished by the Greensboro club Tuesday afternoon at Cone park when the local tribesmen in a game abounded in tense moments and mighty battling triumphed over the High Point team. It was the fifth game of the series. Seven had been scheduled, but the last two naturally were omitted, as four of the conflicts were decided in favor of Charlie Carroll's Patriots.

The final clash afforded thrills aplenty for the 2,500 fans and fanbelles who witnessed it. High Point scored one in the first inning and Greensboro did too. In the second two more tallies were added to the Patriot's historical sketch of the afternoon, while in the fifth frame the Pointers grabbed a couple. In the seventh the Carrollmen annexed another pair of runs, the last scoring of the game—and of the 1921 season. Thereafter the spectators were confident or resigned, according to their geographical affiliation, for it was apparent that the grand old rag once more was to fly over Cone park.

Doc Ferris was a marvel of level-headedness plus the other qualifications of which baseball victories are made. His support was of the errorless variety, one of the features of the contest being the fielding and hitting of Otto Parmelee, premier shortstop of the league, who, contrary to medical advice, left his bed to help his associates hang up another pennant. A homerun over the rightfield fence by Centerfielder Dannelly brought great joy to Patriot fandom and a purse of about sixty dollars was extended to the timely swatter as a token of appreciation. The game was a duel between two veteran pitchers, Ferris, local pride, and Red Day, of the visiting clan. The final score was 5-3.

On Monday afternoon the Patriots playing on their opponents' grounds, were victorious by the score of 8 to 4. Iky Saddler, twirling for the Greensboro club after Proctor had pitched one and a fraction innings, was in superb form, allowing only three hits. Eldridge, High Point slabman, also displayed great stuff at times, but the Patriots succeeded in connecting safely at times when hits were the forerunners of scores. In the first inning Tommy Kelly, who was playing shortstop in the absence of Parmelee while the latter was suffering from tonsillitis, drove out a homerun over the centerfield fence, scoring a couple of Patriots besides himself. Nichols began the pitching for Manager Pierre's Pointers, but soon blew up and was replaced by Eldridge.

The Greensboro club which won the first half of the season, won the Thursday, Friday, Monday and Tuesday games of the final championship series, while High Point, winner of the second half, was victor on Saturday. The standing, therefore, is as follows: Greensboro 300, High Point 200.

Because of the destruction by fire of the grandstand at Cone park plans for a post-season series between Greensboro and Columbia, winner of the pennant in the South Atlantic league, have been abandoned. The Greensboro players are leaving for their homes, that is, the ones who will not continue to live in this city. Incidentally, Paul Dannelly, Patriot outfielder, has been sold to the Rochester International league club. He will report there for duty next spring.

During the championship series with High Point Second Baseman Jimmy Teagus, of Greensboro, was the premier slugger, attaining a batting average of .550. Mike Roman, of High Point, comes next with .450. Doc Ferris led the pitchers with two victories. The Greensboro club batting average was .357 and High Point's .291.

JUDGE ADAMS SELECTED AS ASSOCIATE JUSTICE

GOES TO SUPREME COURT, BEING SUCCEEDED BY WALTER E. BROCK.

The appointment by Governor Morrison of Judge William J. Adams, of Carthage, to the North Carolina Supreme court as successor to the late Associate Justice William R. Allen, of Goldsboro, was made Monday night. At the same time the governor announced the appointment of Solicitor Walter E. Brock, of Wadesboro, to succeed Judge Adams on the Superior court bench, and State Senator M. W. Nash, of Hamlet, to succeed Mr. Brock as solicitor.

For about a week Governor Morrison had been considering these matters and he reached a decision only after much deliberation. The names of a large number of North Carolinians were presented to the chief executive for consideration in filling the vacancy on the Supreme court bench. Thomas D. Warren, of New Bern, chairman of the Democratic state executive committee, received many endorsements for the place and at one time the political prophets practically conceded that the appointment would be his. Judge Thomas J. Shaw, of Greensboro, was endorsed for the Supreme court appointment by the Guilford Bar Association and many other citizens.

Judge Adams has a splendid record of public service and is regarded one of the ablest jurists in the country. People from all sections of the state urged his elevation to the state's highest tribunal and it was generally recognized that he possessed splendid qualifications for the office.

In 1893 William J. Adams represented Moore county in the lower house of the general assembly and in 1895 he was a member of the state senate. Through all the years he has been a champion of Democracy. He was appointed a Superior court judge in 1908, was elected in 1910 and re-elected in 1918.

Governor Morrison's telegram to Judge Adams tendering the appointment follows: "Hon. W. J. Adams, Judge Presiding, care the O. Henry hotel, Greensboro, N. C.

"Believing that you are the choice of the people of the state for the Supreme court bench and my own judgment being that you will do justly and discharge the high duties of that exalted position, I take pleasure in tendering you the vacancy on the Supreme court bench caused by the death of Hon. William R. Allen. "CAMERON MORRISON."

Judge Adams wired the governor accepting the appointment and stating that he would qualify after the adjournment of Guilford Superior court over which he is presiding this week.

Coit discussed paragraph seven of the Rotary Code of Ethics. President E. Stenbeger read a letter from Charles H. Ireland, of this city, concerning the impressions of the latter upon his arrival in Europe. Luncheon was served in connection with the meeting.

J. AL. RANKIN SELECTED HEAD OF COUNTY BOARD

SUCCEEDS LATE CHAIRMAN TUCKER—D. L. DONNELL BECOMES A MEMBER.

J. Al Rankin on Tuesday was unanimously elected chairman of the board of county commissioners of Guilford, succeeding the late W. C. Tucker. Mr. Rankin for 11 years has been a member of the board. During the illness of Mr. Tucker he had been acting chairman. He is the oldest member of the board in point of service and had long been serving as vice chairman. Mr. Rankin lives in the Buffalo Presbyterian church section of the county.

On Tuesday morning D. L. Donnell, of Oak Ridge, who on Monday was appointed by Clerk of Court Mason W. Gamt a member of the board to fill the vacancy caused by the death of W. C. Tucker, was sworn in as a commissioner by Mr. Gamt. Shortly before assuming the duties of the office Mr. Donnell forwarded to Governor Morrison his resignation as a member of the state house of representatives. He was elected to the general assembly in 1920 and served during the session of 1921.

In accordance with a motion by Chairman Rankin the board agreed to formulate resolutions honoring the memory of Mr. Tucker, whose death occurred last Saturday. For about 11 years Mr. Tucker had rendered conspicuously able service as a member of the board of commissioners and for slightly less than a year he had been the capable chairman of the board. His colleagues paid high tribute to the fidelity and ability of the late chairman.

In the early future a steel girder bridge will be constructed over Little Alamance creek at the Young's mill crossing, five miles southeast of Greensboro, according to a decision reached by the county commissioners on Tuesday.

It was ordered that the cells in the old county jail at the corner of Greene and Gaston streets be removed from the building. It is probable that one or more of the cells will be used as prisoners' quarters at Gibsonville.

Work of paving the parking space near the Greensboro tobacco warehouses will begin immediately, it was agreed.

COURT ADJOURNED AND JUDGE RETURNS HOME.

Guilford Superior court adjourned yesterday at noon following sessions which extended over a period of two and one-half weeks. Judge W. J. Adams, of Carthage, who has been presiding over the court this week, left yesterday afternoon for his home. He will spend several days there obtaining a much needed rest before assuming his new duties as associate justice of the North Carolina Supreme court, the office to which he was appointed early this week by Governor Morrison.

Yesterday morning the jury returned a verdict in favor of the defendants in the case of Edwin Fogleman against his son, B. C. Fogleman, and T. J. Pickard. The plaintiff was seeking to regain possession of land which he had deeded his son. He claimed that the land was supposed to have been only temporarily in his son's possession. The son contended that the property was really his and his position was sustained by the jury.

Absolute divorces were granted in the cases of William Reynolds vs. Sallie Reynolds, and Major Jones vs. Ida Jones.

INTERESTING PROGRAM AT ORANGE PRESBYTERY MEET

REV. JOHN McEACHERN CHOSEN MODERATOR—MANY ADDRESSES HEARD.

With representatives of many churches present the annual meeting of Orange Presbytery was held at Buffalo Presbyterian church this week. The opening session was held Tuesday night. Meetings were held yesterday and last night, the final session being held this morning. The meetings were very eventful, featured by the transaction of much important business and discussion of particularly interesting nature.

On Tuesday evening Rev. John McEachern, missionary to Korea, was elected moderator of the Presbytery. Rev. R. S. Arrowood, of Glenwood, was chosen temporary clerk. A forceful sermon on "The Mission of a Christian" was preached by Rev. A. W. Shaw, of Mebane, the retiring moderator. Rev. D. I. Craig, of Reidsville, stated clerk of the Presbytery, spoke interestingly of "The Occasions of Orange Presbytery's Meetings in Buffalo Church."

The address of Rev. John McEachern was an enjoyable feature of yesterday morning's meeting. The speaker made a powerful plea for extension of mission work in Korea. The Koreans, he said, are ready to make great sacrifices for the cause of Christianity if their hearts can be reached and they can be reached through the preaching of the gospel. The missionary would stress the sacrificial nature of the Savior of the world.

Rev. E. C. Murray was ordained as a minister. He will work in foreign fields. Two ministers, Rev. W. T. Pearmon, of Mecklenburg Presbytery, and Rev. John S. Cook, of West Virginia, were received into the Presbytery as corresponding members.

Rev. John Foster, pastor of the First Presbyterian church of Winston-Salem, preached last night on "Securing Recruits for the Ministry." It was a stirring message. Home missions were discussed by Rev. A. W. Crawford, of Greensboro.

From 5.30 to 7 P. M. yesterday a reception to the delegates to the Presbytery meeting was given by Mr. and Mrs. E. P. Wharton at their home on Asheboro street. It proved a delightful event. The visiting delegates enjoyed a picnic dinner given by ladies of the church at 1 o'clock yesterday afternoon.

At the closing sessions to-day home mission work was the chief topic of discussion. Representatives of the home mission board in this state outlined the needs and purposes of this work, making effective presentation of the importance of such activity.

Yesterday afternoon there was spirited discussion regarding the proposal to create a new Presbytery to be composed of Orange, Person and Durham, now a part of Orange Presbytery, and territory to be taken from Fayetteville, Wilmington and Albemarle Presbyteries. Orange Presbytery went on record as opposed to the inclusion of Orange, Person and Durham in the proposed new Presbytery. Opposition to the placing of Orange county in the new Presbytery was especially vigorous. Definite action as to the proposition is to be taken at the meeting of the state synod in Tarboro on October 18.

Walter Thompson, superintendent of the Children's Home of the Methodist Western North Carolina Conference, at Winston-Salem, died in a hospital in that city at 3.30 yesterday morning following an illness which extended over a period of many months.

It was announced that the funeral would be held at 4 o'clock this afternoon at Centenary Methodist church, in Winston-Salem. Many Greensboro people attended the funeral of Mr. Thompson, who formerly resided in this city and had a multitude of friends here.

Mr. Thompson is survived by his wife, who prior to their marriage was Miss Emily Gregory, of this city; two sons, Winborn and Jack, and a daughter, Miss Evelyn, all of Winston-Salem. Forty-six years ago Walter Thompson was born in Iredell county. He graduated at the University of North Carolina. Later he became principal of the Concord graded schools and subsequently he was chosen principal of the Asheboro Street school in Greensboro, a position which he held for a number of years. He was married to Miss Emily Gregory in this city. In 1908 Mr. Thompson became the first superintendent of Stonewall Jackson Training School at Concord. Seven years ago he was elected superintendent of the Methodist Children's Home at Winston-Salem, having served continuously in that capacity since that time. Under his capable direction excellent progress has been made at the institution. Many new buildings have been added, these including the High Point building, the Smith and Cornelius Memorial structures, the Hanes Memorial Training building, the Gray Memorial building and the superintendent's home.

Mr. Thompson was a member of the Rotary club and vitally interested in the public welfare. Recently he had been elected a member of the board of aldermen of Winston-Salem. CIVIL ACTION STARTED BY MR. AND MRS. SHORE.

Complaint was filed Monday in Guilford Superior court by Mrs. Minnie Shore and her husband, Charles Shore, in their civil action against Lula Holt. The plaintiffs ask that the defendant be required to pay them the sum of \$1,282.50.

Mrs. Shore alleges that she was taken from the North Carolina Children's Home by the defendant in 1908 and for many years she thought that the defendant had adopted her. Mrs. Shore also had understood that the defendant's property would be given to her, according to the complaint. However, she now finds that she was not adopted and will not obtain any of the property. She asks that she be allowed \$250 for services in 1913, \$350 in 1914, \$400 in 1915, alleging that she assisted in the work of the household. Mr. Shore is asking for \$282.50, the amount alleged to be due him for services rendered and for supplies furnished the defendant.

Cop Islands Wrecked.

Within the last few days two of the three traffic booths, or "cop islands," in Greensboro have been wrecked. The one at the intersection of Market and Elm streets was demolished late Tuesday night when struck by a roadster. About 10 o'clock last night W. H. McFarty ran his car in the side of the booth at Greene and West Market streets. He reported the matter to police headquarters and was instructed to see Chief Crouchfield to-day. About an hour later the same box was struck by Dr. H. K. Foster's car. He, too, is to see the chief.

TOBACCO MARKET OPENING PROSPECTS ARE SPLENDID

MAKING FINAL PLANS FOR NEW SEASON TO BEGIN NEXT TUESDAY.

Final preparations are being made for the opening of the Greensboro tobacco market on next Tuesday, September 27, and there is every indication that the season will be a most successful one.

Construction work on the two new brick warehouses is nearing completion. The houses will be in readiness for the opening on scheduled time, it is announced, although the street paving in the vicinity cannot be completed quite so early. However, provision is being made for entrance of growers to the houses pending completion of the street work. The new street extending from Greene to the parking space will be concreted, the city having charge of the work. The county is paving the parking space in front of the warehouses. The water mains have been laid and sewer lines are now in process of construction.

The Guilford warehouse will be managed by Westley Singletary, while the manager of the Planters' warehouse is W. Banks Bowen. Both are tobacco warehousemen of wide experience and under their direction successful operations are confidently expected. They have been operating warehouses at Lake City, S. C., Mr. Bowen also has been conducting a warehouse at Mebane.

Already buyers for a number of the companies are arriving. The buying representation will be exceptionally strong, including men from the large companies and also a number from independent organizations. The warehouses are modern in every respect and have attracted much favorable attention among farmers and buyers. Business men evidence determination to co-operate wholeheartedly with market officials and growers to the end that satisfactory prices may be obtained. There is much optimism apparent as the day of opening approaches.
