AND SPERMATORRHEA.

A valuable Discovery and New Departure in Medical Science, an entirely New and positively effective its specific influence on the Seminal Vesicles, Elaculatory Ducts, Proctate Gland, and Urethra. The use of the Renedy is attended with no pain or inconvenience, and does not interfere with the ordinary pursuite of life; it is quickly dissolved and soon absorbed, producing an immediate soothing and restorative effect upon the sexual and nervous organizations wrecked from self-abuse and excesses, stopping the drain from the system, restoring the mind to health and sound memory, removing the Dinness of Sight, Nervous Debility, Confusion of Ideas, Aversion to Society, etc., etc., and the appearance of premature old ago usually accompanying this trouble, and restoring perfect Sexual Vigor, where it has been dormant for years. This mode of treatment has stood the test in very severe cases, and is now a pronounced success. Drugs are too much prescribed in these troubles, and, as many can bear witness to, with but little in any permanent good. There is no Nonsense about this Proparation. Practical observation enables us to positively guarantee that it will give satisfaction. During the eight years that it has been in general use, we have thousands of testimonials as to its value, and it is now conceded by the Medical Profession to be the most rational means yet discovered of reaching and curing this very provalent trouble, that is well known to be the cause of untold misery to so many, and upon whom quacks proy with their uscless nostrums and big fees.
