The use of the Remedy is attended with no pain or incon-venience, and does not interfere with the ordinary pursuits of life; it is quickly dissolved and soon ab-sorbed, producing an immediate soothing and restor-nitive effect upon the server and the proparation of Sight, Nervous Debility, Confusion of Ideas, Aversion to Society, etc., etc., and the appearance of premature old age usually accompanying this provide, and restoring perfect Sexual Viger, where it has been domant for years. This mode of treat-ing the drain from the server severe cases, and the prosting the server and the appearance of premature old age usually accompanying this prove a pronounced anceces. Drugs are too much pre-sortbad in these troubles, and, as many can bear wit-prove approximate for years. This mode of treat-it has been dormant for years. This mode of treat-ing the server approximate the sever severe cases, and the prove approximate the sever severe cases, and the prove approximate the sever bear and year the sever is no Nonsense about the preparation. Practical ob-servation enables us to positively guarantee that it is above and preserver the sever bounded the sever sever bounds and the preparation of the sever that if has been in general use, we have thousands of test if the sever of its walle, and it is now onceded by the some curiosity. Is no Nonsense a to positively guarantee that is servation enables us to positively guarantee that is will give satisfaction. During the eight years that it has been in general use, we have thousands of test-it has been in general use, we have thousands of test-inonials as to its value, and it is now conceled by the Medical Profession to be the most rational means yet discovered of reaching and curing this very prevalent mouse to so many, and upon whom quanks prey with their useless nostrums and big fees. The Remedy is put up in neat bores, of three sizes. No. 1, (enough is put up in neat bores, of three sizes. No. 3, (snough is put up in neat bores, of three sizes.
