The ten girls pictured above have voluntarily given up 776 hours of their time this summer working in and with health programs this summer. They are left to right: Dottie Ferguson,

Rosseanna Taylor, Martha Gibson, Elaine Smiley, Mrs. Joan Thomas, second row, Dianne Barker, Judy Jones, Yvonne Lester, Mary Cody, and Karen Watson.

Something New Has Been Added

The volunteer service of ten Swain County High School students has represented 776 hours of service in the "Candy-striper" program. Services were to Anders Rest Home, School Dental program in Head Start, and Swain County Hospital.

Health Career Club; students who's interest for future education will be in some type of health careers such as physicians, nursing, dentistry, dental assistance and hygiene, dietary, pharmacy, x-ray tech., lab. tech., physical therapy, medical secretaries, and record librarians, social work and

sanitation. Every effort is being made locally to give each student experience in the area of their choice of professions, by all local agencies. Sponsor is Mrs. Joan Thomas, school nurse with Mrs. Veryl Franks and Ms. Martha Allison, co-ordinators of service.

Largest Student Body In WCU's History Gearing To Start Classes Next Week

Western Carolina University is gearing up for the start of its biggest year. The largest student body and the largest faculty in the history of the university are set to begin classes September 24. A week of pre-opening activities will begin Monday Sept. 15.

Dr. Alex S. Pow, president, said the fall term has been preceded by the most extensive recruitment program for faculty members ever attempted. As a result, he said, 86 new members will join the faculty, increasing the total teaching staff to 292 persons. Fifty-three of the new members hold doctor's degrees.

Dr. W. Newton Turner, vice president for academic affairs, said addition of the large number of faculty members with earned doctorates has raised the percentage of the total faculty holding the doctor's degree from 36.5 per cent in 1968 to 47.8 per cent. Total enrollment is expected to exceed 5,000 students, with nearly 1,500

freshmen and other new students arriving September 18 for five days of orientation under the direction of Dean of Student Affairs Taylor L. Huskins. Registration for all students will begin Monday morning, September 22. Tuesday, Sept. 23, has been reserved for schedule changes. Classes will begin in all schools and departments Wednesday, Sept. 24. The final day for late registrations will be October 6.

Opening of the fall term will be preceded by the 35th Annual Pre-Session Conference, beginning Monday, Sept. 15, and continuing through Wednesday, Sept. 17. More than 175 student leaders are expected to attend the three-day conference, held each year through cooperative efforts of the Division of Student Affairs and the Student Government Association to formulate recommendations and suggestions for improvement of the university.

Theme for the conference is "The New U." with Dr. Pow as key-note speaker at 9 a.m. Sept. 15. Highlighting the first week's events for new and returning students will be the opening game of the 1969 football season at 8 p.m. Saturday, Sept. 20, in Memorial Stadium. The WCU Catamounts meet Carson-Newman in the game. A post-game dance, sponsored by the Kappa Alpha Order, will be held in Hinds University Center, with music by The Collegiate Men.

When Autumn Leaves Drift By Your Window

Ask the man with the rake in his hand. The lush green leaves of summer and the colorful hues of autumn are the monumental scourge of Saturday morning cleanup time, when the hapless homeowner finds raking and burning a seemingly endless but necessary task. But in the never-ending battle against piled-up leaves, pay careful attention to safety precautions, warns the Insurance Information Institute: Burn leaves in a covered container with holes or wire mesh construction. Pick a day with little wind and stay near the fire at all times with a garden hose ready for emergency. Set up your fire at a safe distance from buildings, fences and shrubbery! Keep children far away and keep an eye on flying sparks. In some areas, leaf burning might be restricted to certain times or completely outlawed. Find out the exact regulations in your town.

BOWLING NEWS

Harold's Supermarket has high team game of 762 and high series 2231 in the Thursday night Women's Bowling League. Individual high series went to Clara Shuler with a 484 and Phillis Calhoun a high game of 187.
