Graham Seeks GOP Chairmanship

Bill Graham, Winston-Salem attorney and Republican leader, today announced that he is a candidate for the position of chairman of the North Carolina Republican Party.

Graham, 37, is best known in North Carolina GOP circles for transforming the Democratic bastion of Forsyth County into the strongest Republican county in the state in just 2 years.

In making his announcement Graham said that he is firmly of the opinion that "Republicanism from the Courthouse to the Statehouse to the White House is the way of the future in North Carolina", in Graham's words, "from Avery to Brunswick and from Currituck, to Cherokee and all points in between."

Graham said that his priorities as state chairman would include able and attractive GOP candidates for all offices an adequately financed state organization and a greater use of new campaign techniques. With a strengthened organization, Graham said, "the Republican candidates will be better able to get across to the voters the positive programs and platform of the Republican Party."

Graham concluded his announcement, "is the year the Republican can take it all." As Forsyth County GOP chairman Graham received wide acclaim for the record of electing 28 Republicans to local offices in the 1966 and 1968 elections in a county that had only elected 7 Republicans in the previous 40 years.

After the 1968 elections Graham was appointed Assistant General Counsel of HUD but returned to North Carolina early last year to run for Mayor of Winston-Salem. He is a graduate of Duke and took his law degree at the University of Virginia.

A long time GOP worker Graham received the Young Republican award outstanding member of the Republican Party at their 1971 convention. Graham is married to the former Kent Hill of Winston-Salem. The Grahams have a son, age 12 and a daughter, age 7.

Mr. and Mrs. H. Raymond Muse who were married July 8, 1921, will celebrate their 50th wedding anniversary Sunday July, 11 from two until four o'clock at the home of Mrs. James O. DeBord. All Friends and relatives are invited.

Mr. and Mrs. Muse have four children. Mrs. H. H. Redmon, of Asheville, Mr. Roy Muse of St. Claire Shores, Mich., O'Neal Muse and Mrs. Jim DeBord of Bryson City. They have twenty two grandchildren and three great-grandchildren.

Mr. and Mrs. Muse are lifelong residents of Bryson City. Mr. Muse is a retired moving van owner. Mrs. Muse is the former Miss Ida Chambers.

UNCLE SAM GETS BONUS LIGHT
 When Spectrolab provided the solar cell power array for OAO II, the 4,400-pound Orbiting Astronomical Observatory, NASA was informed the cell life was designed for one year.

After the seventeenth month of successful operation, an official at the Grumman Aerospace Corp., prime contractor for the program to the National Aeronautics and Space Administration and Goddard Space Flight Center, said, "Everything is working just beautifully. In fact, OAO at Grumman has come to mean 'on and on' because of its continuing success."

The solar cell array, converts the light energy of the sun directly into electrical energy to power the onboard scientific experiments.

Bemis Auction To Be Held

Graham County -

Approximately one-fifth of all the privately-owned land in Graham County will be sold at auction in the high school gymnasium here on July 10.

Bemis Hardwood Lumber Co. is selling 15,500 acres of high mountain, heavily-forested country surrounded by the Nantahala National Forest for the benefit of the J.M. Bemis heirs, according to Doyle Brock, treasurer of the firm.

One tract of 9,500 acres is in the Snowbird Mountains between the Qualla Reservation of the Eastern Band of Cherokee Indians and the national forest, and the rest of the land for sale is in the Buffalo Range near Joyce Kilmer Memorial Forest.

The smallest tract to be auctioned is eight acres and the largest is 421 acres. Elevations of the tract run from 2,200 feet to 5,500 feet. About 65 miles of streams run through the acreage.

Of Graham County's 189,000 acres, some 109,500 acres is owned by the federal government, leaving about 42 per cent of the country in private lands.

The property is located five miles west of here off U.S. Highway 129-19.
