Warrenton is becoming famous for "Hope." Nothing is so calculated to make the long nights pass away quickly and pleasantly.

New Ads.—B. P. Clifton's, Yarrowbough & Co., Gunno, Calishers Brick Store, S. T. Wilder's, King, White & Shaw, Thomas White's.

We see from the Gazette that Mr. C. A. Cook, has settled in Warrenton where he will practice his profession, the law. All success to him.

If you travel East, West, North or South, take a package of SIMMONS' LIVER REGULATOR. Prepared only by J. H. Zeitlin & Co., Macon Ga.

FOR SALE.—1 pair Fairbanks platform scales. Entirely new. We will sell them at Manufacturers prices, less freight.

There are over one hundred bales of cotton lying on the streets of this place ready for shipment, which the present condition of the roads renders impossible. Louisiana during this season has been no small cotton market.

We were in error in stating that the Hon. D. R. Goodloe would commence a newspaper in March in the city of Raleigh, called the Independent, should have been the Commonwealth. Subscription price one year \$3.00. Six months \$1.75.

The Rocky Mount Mail says that one Edmond Joyner (col.) on the night of the 29th of Jan., stole a bale of cotton from Mr. Dantridge. A warrant was issued for him and he was compelled to give bond for his appearance at next term of the Court.

Last week we called the attention of the Town Commissioners to the unsafe condition of several of the crossings on our principal streets. This week we earnestly request them to send an inspector to examine all the crossings. And let the repairs follow immediately in the rear of the inspector.

A horse fell on the street a few days ago and tumbled his rider head foremost into the mud. The rider fell as gracefully as could be expected under the circumstances. He left the impress of his countenance in the yielding clay, and those of his friends who have not seen him for some time can be comforted by visiting the same.

BIG FRESHET.—The Tar during last Saturday and Sunday was up at its highest notch. We feel sure that the fences on the river have in a great measure been swept away, and our good friends of Tarboro will have a fine opportunity to obtain rail timber, that is, if the rails can only manage to escape the pole-men of Louisiana.

Our able Congressman, Hon. S. H. Rogers has introduced a bill in Congress to repeal the tax imposed upon spirits distilled from fruit. Mr. Rogers has been working faithfully for his State during his term in Congress, and the people will not forget his services. He has also introduced a bill to repeal the tax imposed on leaf tobacco.

It is with pleasure that we learn that our neighbor town of Frankinton has awoken to her true interest and is beginning to put forth her energies in the way of improvements. We trust that the large tobacco warehouse that is to be built there may prove a success, and we feel sure that it will. Energy always receives its reward. We learn that the work of building the same will begin at an early day.

W. S. Mallory, Frankinton positively will not sell Groceries at Northern prices, freight added, but he offers them at very small profits to wit: Family Flour, \$10.75 warranted. Liverpool fine sale, \$6.25. Shoulders by box or hhd, 6 cts. Sides " " " 8 cts.

We had exhibited to us a few days ago some seed cotton raised by Capt. A. D. Williams, near Ragmors Bridge that is of fine staple, and gives the most extraordinary yield of lint that we ever heard of. 45 locks taken from 9 bolls is said to have out-weighted 80 locks of the Dixon. One pound in the seed is said to give a half pound of lint. Every boll has five locks. Most extraordinary cotton! Mr. Williams has a few seed for sale.

Young America and a few "wards of the nation" were made infinitely happy a few days ago by a tremendous dog fight, which occurred thusly. One man's brindle tackled on to another man's "yaller," and one being some on the muscle, and the other some on the bite, a terrible serimage took place which ended in both pups falling into the river and dragging one of the owners who was endeavoring to put an end to the muss with them. And in conclusion we would say that our sympathies are with that individual who got ducked in trying to hold bully "yaller."
