Mai. Dan'l. S, Hill has been quite unwell for sometime. We hope that he will soon be restored to health again.

Mr W. C. Doke tells us that he has in his barn a kind of corn two hundred and twenty ears of which will make a half barrell. Who can beat that?

We had the pleasure of seeing Furman of the Citlzen, and Foote of the Gazette. during our trip to Norfolk. -Both gentlemen looked well and gave cheering accounts of their papers.

Read the card of Ned Alston, Esq., Saddle and Harness maker, and give tam a call if you would have any work done. He guarantees satisfac-

Rev. H. H. Gibbons, pastor of the Methodist Church at Franklinton, has been quite ill, but is now convalescent and will soon be entirely

Messrs, Ward and Staunton of Franklinton, visited our Sanctum one day this week. We were glad to see them, and trust that when they visit our town they will call again.

Henly & Ward selling out at costsee advertisement. A good time to make bargains, Give them a call. We neglected to call attention to their adwertisement in our last issue.

In this issue we publish an advertisement for W. H. Mitchell, of Franklinton, and call the attention of the people of the county to the same .-Call and see his stock of new goods.

We call the attention of the authorities of Franklinton to the deep holes in the street leading towards the Female Academy. They are calculated to break vehicles. Good streets are necessary, and in the improvements of a town should not be neglect-

Rev. J. W. Welloos called on us in our Sanctum on Monday last. He was in our town in the interest of the Prayer Book that he is getting up. We wish him all success in his enterprize, and hope that he will have his book before the public at an early day.

We call attention to the double column advertisement of L. Salusbury, dealer in Furniture, &c., Norfolk, Va. This is a large and long established firm, and does a large business. Those desiring anything in his line will do well to visit him, or send their orders. His house can furnish anything in the furniture line that you may stand in need of.

Services were held in the Methodist and Babtist Churches on last Salbath, The weather, though beautiful, was rather too warm for the fair sex in the absence of the new summer goods --Hence the congregation were not qui e as large as usual. As our merch n s will soon have their new g ods this difficulty will soon be obviated.

Branch Council, F. of T., Franklin. ton, seems to be in a most flourishing condition, and gaining strength with each succeeding day. We had the pleasure of being with the Council several days ago, and was much pleased to find it in such a growing condi-

A few days ago a mule furnished us with a local by running away and scattering along the street several colored individuals who were enjoying the pleasure of a ride. Fortunately no one was injured by the go-aheaditiveness of that "long eared critter."

W. S. Mallory, Franklinton has just received 1,000 bu., of white corn at 95 cents,

200 " Meal at \$1,10 He is prepared to make liberal cash advances to those who wish to held their cotton, charging only 6 per cent int., on money advanced. Write for particulars.

The Commissioners of Edgecombe county have ordered a house to be built near the poor-house for the accommodation of insane persons, who are unable to get places in the Asylum at Raleigh. This is a good movement and should be imitated by other counties. The State Asylum is already full, and unless some such steps are taken, the insane of our State must suffer for want of proper attention. If one is needed in our county, we trust our Commissioners will take the proper steps for building it.

The Womans Friend or Steam Washer, for which Messrs. Bartholomew & Ball are agents for this county, and Mr. J. J. Person for Louisburg, is said to be one of the very best washing rachines in use. A number of families in and around Louisburg are using t'iem, and pronounce them in every respect perfect, Mr. Person has on hand a number of these machines at Yarborough & Co., store. Be sure to call and examine them.

The North Carolina State Life Insurance Co., commenced business about the 14th of last month, and has already issued over fifty policies. This is a home company and managed by good and competent officers. All the most decirable plans have been adopted, such as ordinary life with and without profits, 10 payment, 10, 15, 20, and 30 years endowment, and return premium. See advertisement in another column.

HORRIBLE AFFAIR.-On Sunday while Mr. T. C. Horton was attending church his guard dog a very ferocious animal, attacked his little son about three years of age, who was playing in his yard, and mangled him very badly. Mrs. Horton being attracted by the screams of the child, ran to its assistance, when the brute turned upon her and inflicted very serious if not dangerous wounds. Mrs. Hollingsworth, the mother of Mrs Horton, ran to her assistance and was severely wounded while securing the infariated animal. Fears are entertained that the deg was rabid. On the return of Mr, Horton from church the dog was shot,-This is one of the most horrible incidents that it has ever been our duty to
