FRANKLINTON

Against

LOUISBURG!

Fair Play and Equal Rights to all!

We, as interested parties, propose to present a few facts to the good people of Franklin, which we have no doubt, will be INTERESTING.

To begin with, we would state that we have on hand a large stock of goods, which we are VERY ANXIOUS to SELL; preparatory to our getting new Spring goods. We are willing to sell at reduced prices, but must positively VETO the NORTHERN PRICE SYSTEM freight added, for the simple reason that it would not PAY us, to do so. If we are right, we think that it is commonly the practice, for merchants to sell goods at a profit. (Perhaps the so called Leading Houses do not.) but our experience, is that the expenses of CARRYING on a BUSINESS, (outside of the freights that are in themselves a respectable business) cannot be met with, unless we make a PROFIT on our goods; and to say that we work for the benefit of the public, would hardly be believed by the most credulous. Therefore we say that it is impossible for us to sell our goods at Northern prices, freight added. But we do say that we can and will sell at prices that will satisfy the closest buyer. Call and see the Bargains we offer.

Calishers Brick Store.

Ignorance is Bliss

We confess our ignorance in a good many things; especially do we confess that we can not see how Leading houses can sell goods at NORTHERN PRICES, freight added; For with the advantages of CASH in HAND, we buy a good many goods that enables us to offer BARGAINS to our CUSTOMERS; but, with all this, we still insist, that we cannot find it a paying business to sell at Northern prices.

We are always thankful for information, and would be under many obligations if the LEADING HOUSES would acquaint us with the MODUS OPERANDI, of selling goods at Northern prices.—We have no doubt the information would be highly appreciated by our BROTHER MERCHANTS, as well as OURSELVES. For the next 30 days we shall offer our stock at Reduced prices.

Calishers Brick Store.

Facts and Figures Speak.

We do not claim to have the LARGEST STOCK in town. But from the TAXES PAID in the LAST twelve months, our receipts show that we have paid as MUCH AGAIN TAX on our PURCHASES as any house in Louisburg, (Leading Houses not excepted) For the next 30 days buy your goods at

Calishers Brick Store.

Small Stocks Against LARGE SALES!

We have had a large experience in business, and have always found that those We have large stocks we cannot make large sales, So we would also ask for LIGHT ON THIS SUBJECT. Remember that for the next 30 days we are selling our stocks at reduced prices

Calishers Brick Store.

A single house in Louisburg selling 50 000 lbs of meat in two weeks speaks well for the trade of our rapidly improving town, and would cause us to feel INEXPRESSLY PROUD of the fact.

Were not our exuberant feelings checked by that WORD FEARLY, which according to our definition is somewhat AMBIGUOUS, or perhaps our friends have carefully cleared the amount they will sell during the season in the above 50,000 lbs. And, again the WORD TO ARRIVE is somewhat ENIGMATICAL, for we could with PERFECT CONSISTENCY mention, the stock that we shall purchase in the next 12 months is to arrive. However, be that as it may, bearing in mind we have reduced our prices for all kinds of goods for the next 30 days

CALISHERS' BRICK STORE.

Our Stock is still complete and persons desiring to secure bargains in winter goods are invited to give our stock a inspection.

Calishers Brick Store.

A Big Smoke and a Small Fire.

We do not ADVERTISE stocks large enough for WHOLESALE DEALERS, for we are no more than small RETAILERS; but we have always on hand, a stock amply large for the wants of our COMMUNITY, which we are willing to sell at prices that will please the closest buyer. So when you WANT Bargains call at

Calishers' Brick Store.
