FRANKLINION

Against LOUISBURG!

Fair Play and Equal

Rights to all!

We, as interested parties, propose to present a few facts to the good people of Franklin, which we have no doubt,

will be INTERESTING. To begin with, we would state that we have on hand a large stock of goods, which we are VERY ANXIOUS to SELL; preparatory to our getting new Spring goods. We are willing to sell at reduced prices, but must positively vero the NORTHERN PRICE SYS TEM freight added, for the simple reason that it would not PAY us, to do so. It we are right, we think that it is commonly the practice, for merchants to sell goods at a prefit. (Perhaps the so called Leading Houses do not,) but our experience, is that the expenses of can RYING On a BUSINESS, (outside of the freights that are in themselves a respectable business) cannot be met with, unless we make a Profit on our goods; and to say that we work for the benefit of the public, would hardly be believed by the most credulous. Therefore we say that it is impossible for us to sell our goods at Northern prices, freight added. But we do say that we can and will sell at prices that will sat-isfy the closest buyer. Call and see the Bargains we offer.

Calishers Brick Store.

Ignorance is Bliss

We contess our ignorance in a good many things; especially do we confess that we can not see how Leading houses can sell goods at NORTHERN PRICES, freight added; For with the advantages of cash in hand, we buy a good many goods that enables us to offer BAR GAINS to our CUSTOMERS; but, with all this, we still insist, that we cannot find it a paying business to sell at Northern

We are always thankful for informa tion, and would be under many obligations if the LEADING HOUSES would acquaint us with the MODUS OPERANDI, of selling goods at Northern prices .-We have no doubt the information would be highly appreciated by our BROTHER MERCHANTS, as well as our serves. For the next 30 days we shall offer our stock at Reduced prices.

Calishers Brick Store.

Facts and Figures Speak.

We do not claim to have the LATGEST STOCK in town. But from the TAXES PAID in the LAST twelve months, our receipts show that we have paid as MUCH AGAIN TAX en our PURCHASES as any house in Louisburg, (Leading Houses not excepted) For the next 30 days buy your goods at

Calishers Brick Store. HE SHEET SHEET

Small Stocks Against LARGE SALES!

We have tall a 'a ge experience in business, and have always from a reat unless we have large socks we cannot make have sales so we would also ask for Light on This Surject. It member that for the next 30 das we are self gour stone at Teduced throat
