ORIGINAL STORY

Grace Hazlehurst

BY CHARLES SOUTH.

Charleston and its islands! Cross Knights of the nineteenth century! Heart of Southern chivalry!

CHAPTER I.

Charleston lies out on the bosom of a beautiful harbor, formed by the union of the rivers Cooper and Ashley...

removed his hat and greeted Grace with a gesture that called some additional light and color into her eyes and cheeks...

uttered a cry of pain, opening its eyes bright with agony and fear, she bowed her face quite low, till it touched the brown leathers and when she lifted it the lashes were beaded with tears...

She gave the invitation mutely, with her eyes, and he signified a pleased acquiescence. Willie Ioor accompanied her home, and the others turned toward the wharf where politics and the approaching canvass were causing an excited discussion.
