THE SUN.

WEEKLY SEMI-WEEKLY, AND DAILY.

The Weekly Sun is two widely known to require any extended recommendation; but the reason which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows: It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, and always presented in a clear, intelligible, and interesting manner.

It is a first-rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first-rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first-rate agricultural paper.—The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knives, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle-markets, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Any one who sends a single dollar will get the paper for a year.

We have no travelling agents. The Weekly Sun.—Eight pages, fifty-six columns. Only \$1.00 a year. No discounts from this rate.

The Semi-Weekly Sun.—Same size as the Daily Sun, \$2.00 a year. A discount of 20 per cent, to clubs of 10 or over.

The Daily Sun.—A large four-page newspaper of twenty-eight columns, Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or \$6.00 a year. To clubs of 10 or over, a discount of 20 per cent.
