The population of Franklin according to the census of 1870 is, Whites 6750. Colored 7528. Total 14278.

A very interesting letter, headed "Louisburg," will be found in our paper this week. We hope to hear from our correspondent again.

Read the column of Mr. E. W. Fuller. It is very interesting. Also the notice of the Citizens of Sandy Creek and Gold Mine, which appears for the first time this week.

LOUISBURG FEMALE SEMINARY.—The spring session for 1875 opened this week auspiciously. Room for 6 or 8 more boarding pupils. See full particulars under our advertising head.

MARRIED.—CLIFTON—HAGWOOD.—In Rolesville on the 14th inst., at the Baptist Church by Rev. Wm. Royall, Mr. Y. B. Clifton to Miss C. A. Hagwood, all of Wake.

The County Commissioners held session, during the past year, on 37 days, making a cost to the County of \$370,000, amount paid for clerk and other officers \$111, amounting in all to \$481,000.

MARRIED.—THOMAS—BRIGGS.—Wednesday morning, January 13th, at the residence of the bride's father, by Rev. T. H. Fritchard, D. D., Capt. J. J. Thomas and Ernie N., daughter of T. H. Briggs, Sr., all of Raleigh.

All good-people take their home paper, and believe in it as they believe in their church, their court houses or their post-office. It is an institution. It interests every one, from the minister or lawyer to the school and apprentice boy.

The County Commissioners, refused to enlighten the people of Dunn's Sandy Creek, Gold Mine, Hayesville, Franklinton, Cedar Rock, Freemans and Cypress Creek Townships, as to the disposition of the county money for the year 1874.

In our issue of last week, we neglected to call attention to the new city of Messas, White & Shaw. They have a very attractive set of Dry Goods, Groceries, &c., which they propose to sell cheap. They are also prepared to furnish Farmers with Whann's Superphosphate at less cost than last year.

There is a man in this country, who says that he has laid flat of his back for 20 years studying the stars. In our conversation with him about what he had learned about them in that length of time, we came to the conclusion that he would have made no hunting "babys" or "possoms" that he had made by studying the stars.

There lives in the vicinity of Hanover, New Hampshire, a girl of such exquisite beauty that people come from long distances just to get a peep at her, but unfortunately she has an incurable passion for hunting skunks, and a close approach to her person is far from agreeable. She makes money out of her strange vocation, however, having sent 962 skins to the Boston market last year.

THE SUNNY SOUTH.—This is the name of a new literary paper just started in Atlanta Ga., by Jno. H. Seals, with an able corps of assistants. The paper is a model of neatness in its make up, and it contains as brilliant of choice reading. Every department of the paper is in the hands of able and competent managers. We wish the enterprise great success.

We have received from Maj. Seaton Gales, the Sec. of the N. C. Fire Insurance Company, a statement of the condition of that Company. It shows that it is in a very prosperous condition. Assets on the 1st January \$183,166.12. This Company is strictly a first-class, and knowing the Company well, we can with confidence recommend it to those who wish to insure.

We understand that the Dinner station on the R. & G. R. Road is to be changed from Kittrells to Franklinton. We congratulate Mrs. Tucker, and hope that the change will prove the means of filling her pockets full of money. And we must also say that the passengers will certainly not be worsted for while Capt. Davis, at Kittrells keeps one of the best hotels in the State, yet we must yield the palm to Mrs. Tucker, for the BEST.

In the name of the people of the United States, and in the name of my bleeding State, and in the name of the God of justice, I again enter my solemn protest against this interference. Gentlemen of the House of Representatives, your Legislature has been invaded and taken possession of by the military forces of the United States. Under these circumstances I do not consider it my duty to longer remain.—Protest of Speaker Waltz in the Louisiana House of Representatives.

Citizens of Sandy Creek, Dunn's, Harris, Freemans, Franklinton, Hayesville, Cedar Rock, Cypress Creek and Gold Mine.—you are as much entitled, as Louisburg, to know how the county Commissioners spent your money in 1874. The law places all on an equal footing, and says that the Commissioners SHALL furnish you with a statement of the accounts audited by them. Yet they in the face of the plain written law, vote to suppress this statement, except so far as Louisburg Township is concerned.

Fellow-citizens of Dunn's, Harris, Freemans, Franklinton, Hayesville, Cedar Rock, Cypress Creek and Gold Mine; do you know anything about the indebtedness of the County? do you know how your money was spent in 1874? The law provides that the county Commissioners shall enlighten you, as to the above questions. Yet they in the face of the law, (which was read to them in open session) refuse to give this information, only to Louisburg Township. Why this difference? The law does not make any difference. It is a right you have. Claim it.

A MODEL CARRIAGE FACTORY.—If you want a good, honest, faithful job of work done, and will go to Mr. N. S. Harp's at Raleigh N. C. We think we can safely guarantee that you will get it. Mr. Harp employs the best workmen, and uses none but the very best materials. Prices are moderate, and every job warranted as represented.

He respectfully asks an examination of his work before purchasing elsewhere, as he feels satisfied that he can please the most fastidious.

Mr. J. R. McVey the well known Drover from Kentucky, has presented Mr. W. S. Mallory of Franklinton with a pure blood cotswold Ram, which arrived by express Monday. The animal is 20 months old and weighs as he stands one hundred and eighty pounds. His wool measures over six inches in length, and will clear 10 pounds. He will be kept on exhibition at Franklinton a few days, after which he can be seen at the home farm of Col. W. F. Green. We think this is the largest and heaviest sheep that has ever been in Franklin county, if not in the state.
