The Romoke News comes to us with a new and beautiful Head.

the sine de adjourament of the General Assembly.

We call attention to the Adv. of the ounts Commissioners, to let the con tract to build the bridge over Tar River at this place.

PERSONAL .- E. C. Woodson Esq. City editor of the Kaleigh Daily News was in our place last week, also Hon'l, Thos. C. Fuller of Raleigh, was here in attendance on our Court.

Our Correspondent, "Franklin," request that we offer our columns to the Board of County Commissioners to explain their course in regard to the raising of the salary of the Keeper of the Poor House. The columns of the Courier are always ready for the Commissioners to explain their acts. when they wish.

"A STITCH IN TIME &c."-Since the recent freshets. there are a number of pools of stagnant wa'or left near the river, which if allowed to remain will certainly breed sickness. It will cost only a trifle to have these pools ditched off into the river, and we hope our town Commissioners will see that it is done at once. Please don't neg-

REMARKABLE .- During the whole of Court week we did not hear of a single fight. We visited Cedar Hill. with our friend Rogers of the Messenger, and even there every one seemed to be in a good humor. The bar keepers say, that they have stopped dealing in bighting whiskey, buy nothing now but good natured liquors.

Raleigh rejetces over the building of an elevator, the first ever seen there. in the building occupied by the Da ty News. If one was put in the Capitol. and a few Legislators elevated beyond the confines of the State we would rejoice with our "Oak Cry" friends.

We will take your hand on that Bro. Manning.

Mr J. H. Mills, Superintendant of the Orphan Asylum has refused to accept Five hundred dollars tended him for the use of the Asylum, by the Wilson Gift Concert. We do not consure Mr. Mills for his course, but rather commond him for the from stand be-Maffory's Best fixtra warranted, has taken against the raising of money by such means.

> SENT UP .- His Honor Judge Watts. sent on to Baleigh this week Harry Foster (better known to our people as Harry Sweep shin, name given him we suppose on account of his fondness for other peoples shoop, for three years. We learn that Harry is trying to go crazy over this sentence thinking perhaps that a terth in the Lunatic Asy lum preferable to the Peniteutiary. Taze Foster was also sentenced for two years, crime of both, stealing beef.

RATES OF POSTAGE.—It should be borne in mind that the rate of pastag on third class matter, embracing books and all printed matter, samples, merchandize, &c., has been changed from one cent for two ounces to one cent per ounce. It would be well for all concerned to make a note of this fact, and see that such matter is fully prepaid before depositing it in the Post-office, as it can not be forwarded unless it is fully prepaid.

Keep your promise, Manning, about that out side berth, on that cold morning, if it kills you. Did you never get off the train at a way station on a hosty morning, for the purpose of "seeing a man," or getting a cigar and have the old steam box start off without giving the warning signal, and you have to take deck passage, which is far preferable to the granel train, for 8 or 10 miles. But Manning you were exceedingly kind on that occasion, than both, in fact the proper definition and lets shake hands over it and of steal pen should be "scissors." . laugh some more. But don't tell Foote. How about that clothing and valuable papers, have you found them

SABBATH SCHOOL PAPERS,-The Christian at Work Co., in addition to The Christian at Work, issues also five smaller monthly papers for the Sab bath-school and Home, which are handsomely idustrated and are under the editorial supervision of the Rev. Dr. TALMAGE. They are evangelical and non-sectarian, and supply an important place in the field of Sabbath-School literature. The low rates at which they are sold make them accessible ever to schools whose resources are restricted. The publisher, HORATIO C. King, No. 102 Chambers street New York, will be happy to turnish samples of all the papers and full par-

ticulars on application. How THEY ARE WORKING .- It is said that Tim Lee is hopeful of obtaining the position of Postmaster at this 'ere house, I do; and if any one Raleigh. He is now in Washington | votes it'll be this same woman:

the middle of April.

MR. EDITOR.

DEAR SIR :- I will be ob liged to you for a small space in your valuable paper this week. My experience in newspaper writing is very limited, therefore I hope the public will not criticise my expressions, en manner, too closely, but give more attention to the subject. I only wish in my plain manner to ask the Board of County Commissioners one question. In August last the contract for taking charge of the Poor House of this county was awarded to Mr, R. T. Edwards, a republican, although his was not the lowest oid. Now Mr. Edwards comes before your body and states that the sum for which he agreed to take the paupers and for which he had given his bond, is insufficient, and asks at th same time to have his pay increased-Your Honorable body, notwithstanding | the friends never use them, the proprihe has been there now since August last, and there were other bidders besides Mr. Edwards, passes an order to have his pay increased \$1,50 per month on the head, (as I have been informed.) Now it looks to me that this is not exectly fair dealing. My own impression is that Mr. Edward's bondsmin are he proper ones to sustain the less if any, and not the county bidders. it places Mr. Edwards on a asking too much of you, I hope you mill offer your columns to the Board for their explanation.

> I am very respectfully &c. FRANKLIN.

Rights law has been suggested which may prove the thing desired for hotels, and doubtless other public places affect ed by the bill will find similar relief. The plan for hotels is something like this: The proprietor rents the rooms in his house, except such as he is willin should be occupied by colored guests to different ones or his intimate friends, whether resident in or our of the city at a nominal sum -say ten cents a year -and receives trom his friends permission to use the rooms, if he desires, whenever they are not using them.
