We call attention to the Advertisement of the Female Seminary, a select School for young Ladies.

We call attention to the Adv., of Greensboro Female College, to be found under the head of new ads.

There will be a Democratic Mass meeting at Oak Level in Cypress Creek Township, July 2nd 1875. Senator C. M. Cooke and Col. W. F. Green, will be present.

Rev. F. L. Reid and Rev. Mr. Journey of Raleigh will exchange pulpits on next Sabbath, consequently Rev. Mr. Journey will preach in the Methodist Church at this place next Sabbath morning and at night.

We should give C. I. Green a rousing majority. Let us administer a decided and unmistakable rebuke to the Candidate of the office holders imposed upon the ignorant colored man by the Franklin Clique.

Love is wretched business, consisting of a little sighing, a little crying, a little dying and a good deal of lying.

It is said there were fewer of the leading colored men of the County in the late Radical Convention that had been in any Convention of that party at any time before since its organization of the County.

"Well, my boy," asked a gentleman of a little eight-year-old-boy, "what are you crying for?" "Jause I can't find my dad. I told the old fool if he went off too far he'd lose me," was the filial reply.

"Cum in dar wid yer bare feet dar people will tink you're Irish," said what a colored mother reprovingly said to her bare-footed son who was standing on the street.

A boy writing a letter to his sister, said: Sarah Jane Gibbs is dead, and her mother's got twins. They are girls, and this is awful fine weather for ducks.

Typographical errors come in odd sometimes. The other day we were reading a description of enthusiastic demonstrations at a political gathering, when the type went on with—"the air was rent with the 'souts' of three thousand people!"

Well John said a Sunday-school teacher to a new scholar that had been gathered from highways, how old are you? Six years num. Have you any brothers or sisters? One—Bob that's all. How old is he? Dunno, num; but he's just commenced for to claw terbacker.

Intelligence has been received at Brownville, Texas, that last Saturday morning Captain McNeely of the State troops with a few of his men, pursued, and after a forced march of 25 miles overtook a band of 12 cattle thieves, about 12 miles below the above place. They showed fight, and in the engagement which ensued, the whole band of robbers were killed. Captain McNeely lost one man killed. He recaptured 260 head of stolen cattle.

The meagre details thus far received of the terrible earthquake in New Granada will suffice to give some idea of the awful calamity. San Juan, a city of some fifteen thousand inhabitants, which was founded in 1534 was completely destroyed, and but few families escaped. Four other towns on the Venezuelan border were partially destroyed. They are Gramallo, Cucujilla, Arboleda, and San Cristobal. The shock was also felt in Bogota and the surrounding regions. There is great suffering in the devastated section, and it is impossible to ascertain the amount of damage or loss of life.

A Tax of one dollar each is now demanded by our town authorities from the owners of any dog within the corporation. If the said one dollar is not paid before the 1st day of July, proximo, then said dog or dogs upon which the tax is not paid may keep their eyes skinned and a bright look out for Mr. Christmas or some "other man prowling around with a shot gun after good fat dog skins or lean ones just as the case may be.

Plain Dealer  
So he is.—John A. Hyman is in Washington trying to remove certain Democrats who are holding office under the government in this district.—So says the "Washington Chronicle."

Yes, he has been very active—not only trying to remove Democrats but even Republicans. It is said he endeavored to have Mr. W. S. O. B. Robinson, as route agent between Weldon and Wilmington under U. S. P. O. D., removed; but it didn't amount to anything, for we learn that Mr. Robinson tendered his resignation two months ago.—"Roanoke News."

Hyman has spent the greater part of the last few months in Washington City but none knew that he was engaged in such dirty work as the above would indicate. He endeavored, it is said to have the postmaster at Tarboro re-

moved, because he was opposed to Civil Rights. And this is the fellow for whom some Conservatives voted in preference to one of their own political faith.—"Warrenton Gazette."

A WOMAN'S WIT.—When trade grew slack, and bills fell due, the merchant's face grew long and blue. At last his wife unto him said; "Rise up at once get out of bed, and get your paper, ink, and pen, and say these words unto all men, My goods I wish to sell to you, to your wife and daughters, too; my prices are so very low, that all will buy before they go." He did as his good wife advised, and in the paper advertise. Crowds came and bought of all he had, his bills were paid, his dreams were glad; and he will tell you to this day, how well printer's ink repays. He told us with a knowing wink, how he was saved with printer's ink.

AN OUTRAGE.—On Saturday night last about midnight some villain shot a full load of large squirrel shot through the window of the bed room of Mr. James Lewis who lives a few miles this side of Farmville in Pitt County. Mr. Lewis and family had retired for the night. The shot came very near striking Mr. Lewis and within about six inches of the cradle or crib in which his baby was lying. Caesar May, colored, who is employed on the farm of Mr. Lewis was arrested on circumstantial evidence and upon a hearing before Magistrates James May and William Barrett was sent to jail in default of bail not able to give a bond of \$500 to secure his appearance at the next term of Pitt Superior Court. This is an infamous and murderous proceeding and should receive the full benefit of the law if nothing more.

FOR THE COURIER.  
PEACH TREE GROVE,  
N. C.

Mr. Editor: Crops are looking much better since the cool and dry weather; wheat and oats are quite inferior, also scarce. We have preaching here every second Sunday and Saturday by Elder W. J. Fulford who we think executes his duty in every respect as an expounder of the truths of the Gospel. We have two Sabbath schools in existence in our reach, one at Oak Level in Franklin Co., four miles North of here, another at the Harbor near Mr. James Privett's on the road that leads from here to Castalia. We also have a Debating Society at a public school house near Mr. Joseph Whites which was organized a short time since.

The following officers were unanimously elected  
G. R. MARSHBURN, Chairman.  
J. E. PRIVETTE, Treasurer.  
G. A. GARDENER, Teller.  
W. F. MAY, Secretary.
