Local Items.

Vote for Col. W. F. Green, and reform.

Vote against the Civil Rights Candidate.

Where to go when short of money—Go to work.

Capt. C. M. Cooke will speak at Sullivan's in Nash Co., on Saturday next, the 31st Inst.

DIED.—On Tuesday morning, the 27th Inst., in this County, Mrs. Sally Cooke in the 89th year of her age.

If you wish reform and a better system of government, vote for Col. W. F. Green for the convention.

The COURIER for the Campaign only FIFTY CENTS. Let every Democrat in the County subscribe at once.

Don't fail to Register. The books are open at the office of Mr. W. H. Farman the Registrar, in the Court House.

What's the difference between the lower part of the leg, and the late comet? One's shin and bone, and the other's been and shone.

If you wish a change in the present extravagant system of State and county government, vote for Col. W. F. Green, the Democratic Candidate for the Convention.

The Democrats would run the State and county Governments vastly cheaper than they are now, but for the limitations and in the present constitution.

Under the old constitution the thief who was convicted of stealing your hog could not vote for the man to try him next time for stealing—He can now. Which will you have?

In Louisa County under the present Constitution, four men must be paid forty dollars for taking the tax list. Under the old constitution one man would take the same for ten dollars. Which do you like best?

Vote for Col. W. F. Green and reform—against B. F. Bullock Jr., who is in favor of the present constitution put upon us by a military authority, and is in many respects unsuited to the wants of our people.

We are exposing in every paper, the corruption and extravagance of our county officials, subscribe and learn how your county has been swindled and cheated out of the money that has been wrung from you as taxes.

It cost under the present system of government \$37.50 to send notices to the different poll keepers in the ten townships in this County, of their appointment. Another reason for changing the present system of government.

Clubs of subscribers to the COURIER, are coming in every week, but we have a large mailing book and have room for more. Friends don't cease your efforts, until the COURIER, is put in every family in the county.

\$94,000 County taxes wrung from the impoverished people of our county in the last six years. In this amount is not included the Sheriff's commissions, which added to it will swell the amount to over \$100,000. "How long, oh! how long?"

Does the negro intend to continue to occupy the back seat in the Radical party? He has already been proscribed. Says the white Radical "it will never do to run a nigger he will get his ass a severe whipping." How many of their white men can get elected without the negro vote?

A tipsy fellow, who mistook a globe lamp, with letters on it, for the queen of night, exclaimed: "Well, I'll be (hic) blest, if somebody hasn't stuck an advertisement on the (hic) moon!"

In removing some bodies from the Bennington (Vt.) cemetery, the other day, that of Mrs. Bartlett, which had been buried some twelve years, was found to be petrified, weighing five hundred pounds.

Read the Adv. of J. P. Timberlake Esqr. He has a large quantity of excellent timber for sale and is prepared to make contracts to furnish timber in any quantity to those wishing to purchase.

The Adv. of Trinity College, appears in the paper this week. This College is the property of the M. E. Church South and under the control of the Conference. Dr. B. Craven, the President needs no introductions to the people of N. C. read the Adv.

In order to give the election returns of this County and as much from the State as can be obtained in our next issue, we have concluded not to go to press with the COURIER until Saturday, making the next issue, one day behind our regular publishing day.

GRAND DEMOCRATIC MASS MEETING.—There will be held in Wilson a Grand Democratic Mass Meeting on the 3rd of August. Hon. M. W. Ransom, Z. B. Vance, and A. M. Waddell have been invited to address the people.—Advocate.

In the State of Georgia where the Democrats have entire control, the Poll tax is one Dollar. In North Carolina, where the Radicals control two and the Democrats one branch of the State Government, the tax is from two to three Dollars on the poll.

Will Mr. Benjamin F. Bullock Jr., Judge Watts' and Bookraims Convention Candidate, explain to the colored people of Franklin how it was that John Williamson was beaten over twenty votes more than his ticket at Franklinton last year. It is a matter of interest to some of them. This was Mr. Bullock's voting place.

A GRAND MASS MEETING OF THE friends of Convention will take place at the Falls of Tar River, in Nash County, on Saturday the 31st of July, 1875. A Barbecue will be given.

Senator Ransom, Maj. Yeates, Judge Forde, Gen. Cox, Capt. Davis, and many other distinguished speakers have been invited.

A HINT ON HEALTHY DRESS.—A multitude of persons of both sexes lose health, and oftentimes life, by busying themselves until warm and weary, and then throwing themselves on a bed or sofa, without covering, or in a room without a fire, or by removing their outer garments after a long walk. If you have to walk and ride both, do the riding first, and on returning, go to a warm room, and keep on all your wraps until cool, even if you suffer some discomfort.

CIVIL RIGHTS IN TOWNSHIP.—The Transcript gives the following incident, which happened a few days ago, which shows the ideas which Radicalism has placed in the head of negroes:

At a reaping the other day at Mr. Redman Winstead's, when dinner was announced the white men were asked to sit at the table and the negroes were handed their seats on the plates outside. This did not suit the "nigs" and they demanded the reason why they were fed like servants. And one of them remarked to the daughter of Mr. W., "very impudently" to bring the best, if they had to eat like dogs.

Says the Charlotte Observer:— "Everybody who knows the Honorable Windy Billy Henderson, knows that his stock of knowledge is not near so great as his stock of gab. Not long ago, in conversation with a friend of ours, he expressed himself, as being tired of public life, and said he believed that he would retire from it permanently. "However," said he, "this is just from choice, for I know of a consularship which I can get now." He was asked where it was, and replied that he had forgotten the name of the place, but it was a city on the Amazon River, near the Dead Sea and close to Berlin."

A GENTLEMAN.—Show us the man who is ever ready to pity and help the deformed, show us the man who covers the faults of others with a mantle of charity, show us the man who bows as politely and gives the street as freely to the poor sewing girl as to the millionaire; who values virtue, not clothes; who shuns the company of such as gather at public places to gaze at the fair sex, or make unkind remarks of the passing girl; show us the man who abhors a libertine, who detests ridicule of his mother's sex, and the exposure of womanly reputation; show us the man who never forgets for an instant the delicacy due to woman, as a woman in any condition or class—and you show us a gentleman.

OUR COLLEGE.—Louisa Female College was offered to the Raleigh District Conference, which convened last week, for the purpose of opening a District School and we are glad to inform our people that the Conference accepted the offer and appointed the following Board of Directors to open the Institution and employ necessary teachers. Edwin W. Fuller, Hon. Jr. J. Davis, Capt. C. M. Cooke, Capt. R. F. Yarborough, W. H. Pleasants and the Pastor of the Methodist Church in Louisa.

These gentlemen we hope will meet at once and avail themselves of this splendid opportunity to build up a first class school in our town. We have every thing necessary, all we lack is a well directed effort to build up the school. We will have more to say of this enterprise hereafter.

A NARROW ESCAPE—HEROIC CONDUCT.—Day before yesterday a number of ladies and gentlemen, residents of Williamsburg, drove down to King's Mill wharf on the James river to receive a bridal party. The ambulance belonging to the insane asylum arrived about the same time, containing several of the most hopeful convalescents who were being driven out for recreation.—One of these, a young lady, suddenly sprang to the ground and running to the edge of the wharf jumped overboard. Fortunately her dress buoyed her up, but so determined was she on suicide that she thrust her head under

the water and held it there. In the meantime several gentlemen procured pieces of plank which they threw overboard and the Rev. Mr. Williamson, one of the party, plunged into the water and swam toward the spot where the unfortunate young lady was struggling to consummate her rash intent.—He peremptorily ordered her to grasp a plank he had taken along with him, and so accustomed was she to hospital discipline that his order was immediately obeyed. He gradually drew the plank toward shore and finally had the pleasure of restoring her to the keeler in safety, though very much exhausted. His noble and heroic conduct is worthy of the highest praise, and the self-satisfaction of having rescued an unfortunate human being from a watery grave must be very pleasant to him.—Norfolk Landmark.

The Masonic Journal.

To the Masonic Fraternity In North Carolina and the South.

This is emphatically an age of progress. The world moves apace, but with us, especially of the South, Masonry languishes, because lacking a proper dissemination of those pure principles peculiar to our grand old order. Our brethren of other more favored sections have their periodical literature, and are bright and prosperous; we, too, should flourish and blossom as the rose.

Weekly Masonic Newspaper,

with the above name, such as dignity and advancement of the Fraternity will approve. Its LITERATURE will be pure, and of the highest order; making the JOURNAL a fit companion for the most cultivated and refined, and a welcome visitor to any household. In this connection we have engaged the services of able and popular writers whose hearts glow with a fond desire for the perpetuity of the Ancient Landmarks of our "Mystic Rites," and we will spare neither labor nor expense to make the paper a highly instructive and popular Family and Masonic visitor.

With a journalistic experience of several years, and a determination to give all our time, talent and energy to the promotion of this important enterprise, we hope to receive from our Masonic brethren that liberal confidence and support which, by an entire devotion to its success, we hope to merit.

It will be an eight page, thirty-two column sheet, printed on good white paper, and furnished weekly at the low price of \$2 per year. The first number will be issued on Wednesday, the 15th of September, and regularly on Wednesday of each week thereafter.

All money should be sent by Check, Post-office Order or Registered letter.

Valuable Land for Sale.

Having bought and renovated the very desirable plantation formerly owned by Maj. D. S. Hill. I now offer it for sale on reasonable terms. It is situated about four miles from Louisa and contains, by survey, 240 acres, a little over half of which is now open and ready for cultivation. The remainder is covered by a thick growth of young oaks and hickories with a few pines. There is a good dwelling house and a number of out houses, an excellent gin house and screw, all in very fair repair. The land produces well, and taken all together it is a most desirable investment for an enterprising farmer.
