Battlefield of Hot Prices!

The MOSES WEISEL \$18,000 STOCK, of Elizabeth City, N. C., being closed out by the Chicago Merchandise Co., of Chicago, Ill.

General Merchandise for every body to be sold at less than cost of M'f'ing.

DRY GOODS, Boots and Shoes, Gents' Furnishing Goods, Gents' and Boys' Clothing, full line of notions, Ladies' and Children's Caps and Jackets, are necessities, not luxuries, and we claim without fear of contradiction, that no other house can show such a record-breaker for low prices as we, as this has been forced on the market and must be closed out at once.

To the people, we offer values that blunt the shafts of opposition. Bargains that class the middleman out of the race. Such opportunities do not come to the average man and woman—to buy the very best class of dependable wear at less than cost. On many lines we will be satisfied with 25cts on the dollar. Dollars grow on bushes but it takes good hard work and plenty of it, for the average man to support himself and family. Besides, it is your duty to buy goods where you can buy the most for your money.

This is plain talk, but facts are facts. CAUTION:—Don't allow the other fellow "knocker" to persuade you to remain away from this sale, as he has an axe to grind. So come and do as your neighbor—supply your wants.

Chicago Merchandise Co., Chicago, Ill.,

W. B. BARNES, Manager.
