**HERTFORD.**

Correspondence of the Tar Heel  
 Hertford, N. C., April 20.—  
 A cotton seed oil mill will be established in Hertford in the next few weeks. All of the stock has been subscribed and enough cash paid in to start the erection of a building and put in the machinery. All the stock was taken by home capitalists.  
 A movement is on foot to have the Suffolk and Carolina Railroad extend its line to Hertford, or in other words to construct a road from Hertford to Center Hill, Chowan county. At a meeting of the Business Men's Association held last week, communications were read from the general manager of the Suffolk and Carolina road saying that if a right of way could be secured, the company would consider the matter at once, and spoke in very favorable terms of the project. The people of Gatesville are agitating the question of railroad from their town to connect with the main line of the Suffolk and Carolina.

 The recent storm did much damage. There were two or three barns and stock houses were blown away and some damage to stock.  
 The tide runs the highest at this place we have ever known it and is doing considerable damages to the farmers.  
 We were all made sad last week to learn of the accident which occurred near the Lake Landing at East Lake, when Mr. Frank Creef, his wife, son and child who had been visiting Mrs. Creef's people at this place were overturned and Mrs. Creef and one of the children were drowned. Mrs. Creef was a former native of this place she was dearly loved by all who knew her. She was always known to have a pleasant word for every one and to know her was to be her friend.  
 A noble one from us has gone, a voice we loved is stilled.  
 A place is vacant with her friends, which never can be filled.  
 We learn Miss Minnie Meekins and Mr. Robert L. of Virginia, are to be married Thursday next. This is to be another marriage soon, but we have been requested not to give names of the parties so we will not betray our trust.  
 Mr. Bennie Combs returned to this place some days ago. He is

looking extremely well, jolly and handsome. We hope Ben, old boy, that you may always have life sunshine in your pathway and still remain happy avoiding its shadows.

Now read what he says of it now: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size was permanently cured."

 There is scarcely another business where constant care is so vital as in the drug business. Life itself often depends on the compounding of prescriptions.

**CAN'T BE SEPARATED.**  
 Some People Have Learned How to Get Rid of Both.  
 Backache and kidney ache are twin brothers.  
 You can't separate them.  
 And you can't get rid of the backache until you cure the kidney ache.  
 If the kidneys are well and strong the rest of the system is pretty sure to be in vigorous health.  
 Doan's Kidney Pills make strong, healthy kidneys.  
 Mr. Henry Murphy, of 684 Broadway, Memphis, Tenn., professional nurse says: "For a year or two pain and weakness across the loins and difficulty with the kidney secretions indicated that my kidneys were either overtaxed or weakened. All my knowledge of medicine failed to bring relief, and ever anxious to get rid of the trouble before it became chronic, I got a box of Doan's Kidney Pills at Haffner & Ballard's drug store. They performed their work very satisfactorily. I know of a great many others in Memphis who have been benefited by Doan's Kidney Pills."
