DOCTORS TRY TO DISSOLVE GUN COTTON GIRL HAD SWOLLOW ED.

Omaha, Neb.,-Helen Wells, 20 years old, attempted suicide by eating a quantity of guncotton last night. All day today the girl has been resting on a heavy mattress with a double set of springs, and tied in such a manner that she cannot move a muscle. In the meantime she' is being dosed with chemicals, in an effort to disolve the explosive

Late last night the girl was at tacked by a woman roommate and was severely beaten. She was taken to the police station and while in the surgeon's room was left alone a moment. She seized a package and swallowed the guncotton with the surgeon was experimenting.

She was carefully placed under arrest and slung in a canvas hammock, but was later placed on the bed with springs. Unless she explodes by noon Monday the doctors hope the explosive will have become dissolved and the girl be out of danger.

MR. ELISHA LISTER SICK

Mr. Elisha Lister one of the most prominent citizens of Salem Section

Bunker, a deaf-mute and youngest son of Chang, one of the famous Siamese twins, was killed by fighting today in his tobacco barn in Surry county.

He and his son and a workman took shelter in the barn from a rainstorm. Bunker's hat and shoes were torn to pieces but the body was not bruised or mutilated. The son and workman were knocked senseless and remained in that condition for an hour or more

Bunker was 48 years old and prosperous. He was intelligent and entertaining, and enjoyed conversing with his friends through the medium of pencil and paper. The famous twins it will be recalled, married Virginia women. The sons of the Siamese have all been well-to-do. The pecu liar inheritance of deafness was an affliction that added an additional strangeness to the family. The mute was bright and quick of wit, though in each branch of the family there

seems to have been more or less a freak of nature. The older boys of the Chang family have spread out

into other sections.
