

TO ORGANIZE FARMERS' EXCHANGE

Recognized Necessity for Systematic Handling of Truck Crops. Great Advantages to be Derived From the Organization.

There is a movement on foot among the truck farmers of Currituck County to organize a Produce Exchange in Currituck County. A letter circular, setting forth the necessity for such an exchange has been printed and is being distributed among the truck farmers.

The letter circular is interesting reading matter, and it is worthy of the perusal of every truck farmer in Eastern North Carolina.

The necessity of a produce exchange will be easily recognized by the truck farmers throughout this section, if they will give the matter a minutes thought. All the average farmer will have to do, is just to think of his past experiences in marketing his truck crop. Every farmer remembers the time without number, that he has been gouged and swindled by dishonest produce merchants and scheming agents, to say nothing of the haphazard manner in which he has heretofore shipped his produce away. It is generally been the experience of the trucker that his shipments were made blindly and he always struck the glutted markets. Every farmer recognizes that the manner of shipping produce as it is now practiced, is just simply trusting to luck. If he hits a good market, he hits it, if he doesn't he doesn't. Every farmer will readily understand that great advantages will be derived from a systematic manner of shipping produce under the directions of a practical, well informed handler of produce.

It goes without saying, that the farmers of Currituck will take kindly to the idea, and before another season, an effective exchange will be organized for the protection of the farmers, and it is to be hoped that every truck growing county will follow so that all the farmers will be organized for their protection.

The farmers may rest assured that everybody else is organized for mutual protection; so it is, 'organise or be exposed by speculators and manipulators.'

WHY IT SUCCEEDS

Because it's for One Thing Only, and Elizabeth City People Appreciate this.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only.

They cure sick kidneys. They cure backache, every kidney ill.

Here is Elizabeth City evidence to prove it.

Mrs. C. D. Bundy, 238 W. Fearing street, Elizabeth City, N. C., says: 'I have no hesitation in recommending Doan's Kidney Pills to anyone suffering from backache or kidney weakness. I endured great misery from backache and pains through my loins for a long time. I used several remedies but I was unsuccessful in finding relief until a friend finally advised me to try Doan's Kidney Pills and I procured a box at the Standard Pharmacy. They proved of far more benefit to me than any other remedy I had previously used. The backaches and the pains soon vanished, the kidney secretions became normal and my general health was greatly improved.'

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

30 YEARS OF SUCCESS

The Standard Pharmacy Offers a Remedy for Catarrh. The Medicine Costs Nothing if it fails.

When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people to substantiate. We want them to try Rexall Mucu-Tonic, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success in his record.

We receive more good reports about Rexall Mucu-Tonic than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tonic is, it would be the only catarrh remedy we would have any demand for.

Rexall Mucu-Tonic is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membrane tract, to destroy and remove the parasites which injure the membranous tissues, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rexall Mucu-Tonic, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tonic in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Elizabeth City only at our store—The Standard Drug Co.

DISCUSSED THE WATER TROUBLE

A Big Mass Meeting Held at the Court House Last Night in Which Citizens and the Water Company Planned to Improve the Water.

A Mass Meeting of the citizens of Elizabeth City was held at the Court House last night for the purpose of discussing the water question. This meeting was held pursuant to a petition to the board of Aldermen asking that this meeting be called.

The officers of the Water company met with the citizens, and an open discussion of the water problem was entered into, in which the officials of the water company cheerfully answered questions. The water has been bad for some time, the users of the city water know that and the water company admits it and the water company expresses a willingness to do anything in its power to correct the evils, if the way to solve the problem can be shown.

On account of the unprecedented drought this fall the water has become very salty, which has effected the source of the water company's supply.

Mrs. S. Joyce, Claremont, N. H., writes: 'About a year ago I bought two bottles of Foley's Kidney Remedy. It cured me of a severe case of kidney trouble of several years standing. It certainly is a grand, good medicine, and I heartily recommend it.'—Brown's Pharmacy.
