

YOUNG MAN DIES FROM PELLAGRA

(Ledger-Dispatch.)
Marcellus Riggs, a young man living with his parents, Mr. and Mrs. Mrs. Cornelius Riggs, died this morning at 5 o'clock at their home 415 Liberty street after a severe illness of pellagra. The deceased was a native of Shawboro, N. C., but had been living here for several years. He was in the 17th year of his age and was unmarried. The young man had been a sufferer from the disease for several weeks.
The remains will be forwarded to his former home at Shawboro tomorrow morning via the Norfolk and Southern railroad where the funeral and interment will take place.

MR. BOND RETIRES FROM THE CONTEST

To the Democrats of First Judicial District:
Some weeks ago when it was announced that Mr. H. S. Ward would not desire a renomination for Solicitor it was suggested to me by my friends that I become a candidate. The suggestion rather captivated me and at the time I consented to enter the contest.
Many friends have been kind enough to make some efforts in my behalf and the democratic papers have very generously made kind allusions to me.
I am very grateful to the press and the people for their kind consideration.
I thank all who have intended to support me.
Now that the glamour of the suggestion has worn off a serious consideration of my business welfare causes me to say that I do not desire the office even if my business welfare causes me to say that I do not desire the office even if my nomination were assured. I therefore retire from the race.
Again thanking all who have felt kindly to me, I am ready to help win the fight for our party's nominees.
Respectfully,
W. M. BOND, Jr.
Plymouth, N. C., April 5, 1910.

FOR CATARRH

Medicine Free in Every Case Where It Fails to Relieve.
Neglect or pessimism, we believe, is the greatest enemy the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advance stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied.
We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine at our risk. There are no conditions attached to our offer. We put the user under no obligation to us whatever.
The medicine we want you to try is **REXALL MUCU-TONE**. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, **REXALL MUCU-TONE** is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with.
We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. **REXALL MUCU-TONE** comes in two sizes 50 cents and \$1.00. We urge you to try it. Remember you can obtain **REXALL Remedies** in Elizabeth City only at our store.—The Standard Drug Company.
