GETTING READY FOR THE FAIR

STOCK IS BEING EAGERLY SUBSCRIBED AND EVERYTHING INDICATES A BIG FAIR THIS FALL

Secretary Parker of the Albemarle Agricultural Fair states that the officers of the fair are meeting with no difficulty in securing stock subscription for the association. The greater part of the stock has already been subscribed and the financial end of the fair is now assured.

The premium list is being made up and it will be placed in the hands of the printers at an early date. As soon as the premium list is printed, it will be distributed throughout the district. It is the purpose of the officers of the fair to interest the farmers of the district into making exhibits this fall.

Mr. Parker says that the prospects are exceedingly bright for the biggest fair ever held here.

Special attention will be given to the agricultural exhibits and the racing.

The farmers throughout the district will be especially invited to prepare agricultural and stock exhibits, and the people generally will be invited to take a hand in the agricultural fair to be held in October.

ROLAND STILL STUCK

Norfolk, Va., May 3—The German steamship Roland, from Galveston, to Bremen with a cargo of cotton, which stranded on the Currituck shoals during dense fog Sunday night was today still hard aground, all efforts to float her having proven futile.

In addition to the wrecking barge, Haggerty, sent out from Norfolk today in tow of the salvage steamer Coley, the Barge Chittenden was started today from New York in tow of the steamer I. Merritt. Both barges will be used in lightening the cargo of the Roland.

MAINE TO BE RAISED

After twelve years, the ill-fated battleship Maine, is to be removed from the Havana Harbor and the bodies which went down with the vessel will be interred in the National Cemetery at Arlington. A bill providing for such removal and burial which has passed the House was today passed by the Senate.

The bill directs the raising of the vessel by the Secretary of War and the Board of Engineers with "all convenient speed." The bodies in the ship are to be buried at Arlington and the mast lifted above their graves as a monument.

Foley Kidney Pills are antiseptic, tonic and restorative and a prompt corrective of all urinary irregularities. Refuse substitutes.—Brown's Pharmacy.

MEETS NEXT YEAR IN ELIZABETH CITY

Concord, May 5—The Great Council of the Improved Order of Red Men which has been in session here this week, has completed the most important work of the council and after a short session tomorrow morning, the meeting will adjourn.

The delegates are being entertained tonight at a social session by the local lodge, after which a grand torch light parade will take place over the principal streets of the city with about two hundred Red Men in line.

A resolution was passed at the meeting tonight to increase the per capita tax in order to put an organizer in the field and do other important work, making enough funds available to successfully complete the proposed work.

Representatives from Edenton and Elizabeth City extended an invitation to the order for the next meeting of the Great Council. On a vote of the delegates Elizabeth City was chosen as the place for the next meeting which will be held the fourth Wednesday in May 1911.

MANTEO COURT

Spring term of Superior Court of Dare County adjourned Wednesday afternoon, after having been in session two days.

No cases of special importance were disposed of.

Mrs. W. Boettcher and Mrs. J. C. Bembury went to Norfolk yesterday afternoon to attend the meeting of the Grand Chapter of the Eastern Star of Virginia.

Solicitor H. S. Ward passed through the city yesterday afternoon enroute to his home in Washington.

Sheriff Reid returned yesterday from a trip to Raleigh.

L. A. Armstrong went to Columbia yesterday afternoon on a business trip.

Rev. J. W. Rose spent some time here this week attending the Baptist Association.

Attorney Percy McMullan of Hertford was here yesterday on business.

Mrs. K. R. Newbold and daughter Miss Fannie of Hertford were here yesterday, the guests of friends.

AVENGELISTIC CAMPAIGN

The Avengelic Campaign of the City Road Methodist church and the Blackwell Memorial church, which has been in progress since Monday night has created a great deal of interest among the church going public.

Large congregations have been in attendance at each service, and the greatest interest has been shown. Revs. J. H. Buffalo and I. N. Loftin have done the preaching and they have preached very strong sermons to the delight of the large congregations.

Mrs. T. C. Gordon and Miss Aggie White of Edenton were here this week, the guests of friends.

NO BEER SALOONS FOR THIS COUNTY

The people of the entire county as well as the people of Elizabeth City are profoundly thankful to the board of county commissioners for their action last Monday in revoking the licenses granted to the near beer saloon proprietors.

The proprietors had been put out of business in Elizabeth City on account of the high tax imposed. They thought they could locate at some convenient point in the country, not too far from the city and ply their trade of selling questionable and objectionable drinks. They had no idea that they would be molested by the county officials and they felt very safe from the town authorities, but their dreams of an easy living were rudely awoken. The commissioners revoked their licenses and put them out of business.

Unless there is a change of mind on the part of the commissioners they are out of business for good, and may they long stay out of business, is the wish of all good people.

FURTHER TROUBLE IN CHINA

Hankow, May—Reports were received here today of an agitation by natives in the province of Kiang-Sin. It is stated that two thousand Hunanese have crossed the borders from Hunan province and made their way into Hupeh province reaching Taysh. The situation is declared to be serious.

PENSION BILL PASSED CARRYING GREAT SUM

Washington, May—In less than fifteen minutes time the Senate today considered and passed the pension appropriation bill, carrying about \$155,000,000.

TO NATURALIZE ALIENS

Washington, May—A Senate bill providing for the naturalization of aliens who serve for four years in the navy or the marine corps passed the Senate today.

BOXES OF BLUE FISH

Reports from the coast section states that blue fishing is excellent on the coast.

Messrs. C. P. Midgett and Company of Rodanthe one day this week caught 118 boxes of blue fish at one haul. This is one of the largest catches of fish ever made on the coast of this state.

Dr. and Mrs. J. D. Brumer of Murrefresboro spent Wednesday night in the city the guests of Rev. and Mrs. I. N. Loftin.

Rev. W. B. Morton pastor of the Baptist church of Columbia spent some time here this week, attending the association.

Miss Addie Rae of Edenton was here yesterday, the guest of friends.

BAPTIST HOSTS AT BOYS OF GORN CLUB SAWYER'S CREEK TO WEAR BUTTONS

ONE OF THE LARGEST AND MOST INTERESTING GATHERINGS OF CHURCH PEOPLE TO MEET IN THIS STATE.

Historic old Sawyer's Creek Baptist church located about two miles from this city has been this week, the scene of one of the greatest gatherings of church people to assemble in this state. It was the occasion of the annual session of the Chowan Baptist Association, the largest Baptist body in the State, being composed of some of the strongest and most aggressive churches in the state totalling a membership of nearly ten thousand church workers.

The session convened last Tuesday morning under the most auspicious circumstances. A large crowd was present at the beginning of the session.

The formal organization of the Association was affected with the annual election of officers in which all the old officers were reelected with the exception of the office of treasurer, which has been held for many years by Mr. Forehand, Mr. Joe De-cormis of Shawboro was elected to succeed him. Rev. W. R. Haight of this city was elected to the position of reading clerk to succeed Attorney George J. Spence. The roll of the churches was called and the representatives made known their presence.

The introductory sermon was delivered by Rev. H. H. Mashburn, pastor of the Edenton Baptist church. The sermon was a strong one and it was delivered in a very pleasing manner. The large congregation heard the able speaker eagerly.

The letters from the various churches in the association were read. These letters which were reports of the churches indicated that all the churches were in a healthy growing condition, and that the past year has been an exceedingly prosperous one with the churches. The reports were very gratifying. The tone of the letters and of the speeches made during the session of the association breathed a spirit of optimism for the future of the church work. "Go Forward" was the key note and progress was the spirit that prevailed all and everything. When the roll call was made for pledges for the various objects of the church work, the delegates answered with enthusiasm. There was a big increase in the pledge along all lines of Baptist church work.

During the sessions of the association which lasted for three days, much business of great importance to the Baptist denomination was transacted. A number of prominent ministers and laymen representing the various works of the denomination of the state at large were present and they made strong speeches in behalf of the objects that they represented. These addresses were heard with a great deal of interest and all appeals for aid were responded to with enthusiasm. Before the meeting adjourned Sandy Cross in Gates County was selected as the next place of meeting for the association.

This session of the association was noted for its record breaking crowds Wednesday, in spite of the threatening weather, more than two thousand Baptist people were on hand and on yesterday, the great crowd seemingly increased. The people of the Sawyer's Creek section were equal to the occasion and their hospitality was unbounded, in which they sustained their reputation of all former occasions.

IN BEHALF OF THE D. S. CANAL

The matter of the Dismal Swamp Canal as a part of the Inland Waterway route came up during the meeting of the Chamber last Friday night. The matter was discussed along the lines outlined by president M. K. King of the Lake Drummond and Dismal Swamp Canal Company, in a recent conference held with the business men here. It was decided by the Chamber that Elizabeth City ought to be represented very strongly at the Inland Waterway meeting which will be held in Norfolk in the near future, and secretary Lamb was appointed chairman of a committee to be appointed by him composed of 18 members to go to Norfolk to attend the meeting. This committee will inform itself as to the amount of business done through the Dismal Swamp Canal and the effect that the canal has upon the prosperity of this city and section. This data will be placed before the convention for the purpose of influencing it to recommend to Congress that the Dismal Swamp Canal also be purchased and made a part of the waterway.

Every citizen recognizes that the Dismal Swamp Canal as a part of the Waterway will greatly benefit the city and community, and, if the Dismal Swamp Canal is left out of the Waterway, this section will be greatly injured.

DISCUSS PAVING MONDAY NIGHT

During the meeting of the Chamber of Commerce last Friday night, the street paving committee made its report in which it recommended that the following streets be paved: Main street from the water to Perse st; Fearing street from the water to Poindexter street; Mathews street from the water to Martin street and Water street between the two creeks.

The Chamber of Commerce accepted the recommendation and secretary Lamb was instructed to present the petition to the board of Aldermen at its Monday night meeting.

Mr. Lamb appeared before the Aldermen and presented the petition asking that the Aldermen issue bonds to make the paving possible. Mr. Lamb spoke at length and presented the petition in a strong forcible manner.

The members of the Board became involved in a discussion as to when and in what manner the petition should be disposed of. One-half of the Board favored a public meeting of the board to discuss the matter, the other half favored an executive session. The mayor broke the tie by casting his vote for a public meeting of the board and it was decided that the Board shall meet next Monday night for that purpose.

MR. LITTLE WILL HAVE THEM IN HIS OFFICE TO GIVE OUT TO THE MEMBERS OF THE CLUB.

Superintendent Little wishes to inform the members of the Boys' Gorn Club that the State Department of Agriculture has provided buttons for the boys and desires that the members of the club shall procure these buttons and wear them. Mr. Little has ordered the buttons and he desires the members of the club to call at his office on Main street and get one.

The buttons are of handsome design, and the boys by all means should get one. The wearing of the badge give a distinctive personality to the organization.

We publish below the list of the members of the club in this county. Mr. Little desires that the membership shall be greatly increased and he urges upon the boys in the county to join the club.
