### PROF. MATHEWS

WOMEN ARE INTERESTE!) IN ES-TABLISHING LOWEP.

RATE AMONG THEIR SEX It has recently been discovered that many women who believe they are suffering with diseases peculiar to

their sex have nothing else but kidney trouble or the results of kidney and bladder diseases. Thousands of women suffer from kidney trouble and never know it. When the kid-

neys are not in a healthy condition, they often cause the other organs to become diseased, and you become nervous, irritable and often despondent.

When in ill health you may suffer with bearing down feelings, backache and loss of ambition. Many thous-
