## 50 Per Cent Better

"I have used less than one bottle of Cardui," writes Mrs. Gertrude Ward, of Rushville, Neb., "and am feeling fifty per cent better than when I began taking it. Before taking Cardui, I had suffered with female trouble, for eight years. My greatest trouble was irregularity. I also suffered with severe pains, every month, but now I am greatly improved and will recommend Cardui to all my suffering friends."

## Take CARDUI

### The Woman's Tonic

The rare medicinal herbs of Cardui are imported by the manufacturers direct from Europe and are not to be found in any other medicine.

These ingredients are what give Cardui its superiority, as a female medicine and tonic, over any other medicine.

For over 50 years Cardui has been the favorite woman's medicine. The ladies like it, because it is so easy to take, so gentle, so safe, so reliable in its results, and they have faith in its curative tonic powers, because of the thousands of other ladies it has helped. Try it today.
