YOU WILL GET TAR HEEL FREE

We have been delayed in getting repaired from the results of the recent fire. We expected to make the repairs in a week and be in good running order before now. We certainly expect to be in perfect order in two weeks more when we will improve the appearance of the Tar Heel. But we want to do the right thing by our subscribers so we have decided to give away our subscription list until October the first. That is, we do not propose to charge for your subscription from the time that the fire damages until then. All of our subscribers who have paid in advance will have their subscription moved up to that date. So the readers of this little sheet does not cost you one penny. This certainly ought to remove all cause for complaint. By the first of October we expect to be ready to give the people of this district a paper such they deserve and ought to have. In the mean time we shall strive to give you the news in the Tar Heel although we labor under disadvantages to do it.

AN EXCELLENT YOUNG MAN

Thomas J. Markham, the subject of this sketch was born in Elizabeth City on the 8th day of November, 1882 and born, too of as good parentage as any body is born of. As a child he played on the streets of Elizabeth City and grew up under the observation of the people of this city. All of his acts have done right here in Elizabeth City and no person can say that they have ever known Tom Markham to be guilty of anything mean.

In his boyhood he attended Prof. Tillett's school and was trained under the tutorage of this brilliant scholar and distinguished gentleman. Along with the superior learning of this man was imparted many of the principles with distinguished the life of this man and which now live in his pupil. He spent his boyhood here and impressed all with his manly straightforward character for which the people respected and trusted him. When he reached maturity, he entered Wake Forest College, and there he conducted himself in the same upright and correct manner which inspired the confidence and admiration of the faculty and student body alike. He did his work well; was painstaking and careful and graduated in the year 1905, a well rounded student, whose moral development had kept pace with his mental training. The college gave out a first class man well prepared to enter upon the duties of life in a manner that will make the world better for having live and labored in it.

He secured his law license in the spring of 1907 and began the practice of law right here in his native city. His law practice has had a steady healthy growth in which there has appeared nothing that indicate that he is brilliant and consequently erratic. In the growth of his practice and in the development of his character and personal influence which has been abundantly successful he has demonstrated to the satisfaction of the people of this city and county that he is capable of performing any duty that he may undertake and that any confidence that may be entrusted to him will not be misplaced; but, on the other hand will be sacredly kept. His temperament is of a deeply religious nature and he takes an active part in church work and in any movement to better the religious or moral condition of the people among whom he lives and whom he loves. No person in this county who knows Mr. Markham personally is afraid to trust him in any deal or business transaction. He is the soul of honor and honesty and there is nothing deceptive about him.

ENLARGED FOR THIRD TIME

Under the management of George A. Twiddy, the popular young shoe man of the shoe department of the Bee Hive has been enlarged for the third time. Carpenters are now at work in this store, making the necessary changes in the arrangement of the floor space to accommodate the largely increased stock of foot wear. The Mr. Gilbert finds it necessary to install to accommodate his largely increased patronage. The big department store is each day growing more popular with the people of the district. Here they find the best in merchandise at prices which they recognize are correct.

BACK TO PANAMA.

W. K. Raper after a visit to his parents in this county left last Monday for Colon, Panama where he has a position with the canal construction company. Mr. Raper had been gone more than a year before he returns as the trip is a long and tedious one.

Big Delegation To Attend Hearing

HELD ANNUAL CELEBRATION

Manteo, N. C., Aug. 26.—The annual celebration of the birthday of Virginia Dare, the first child born of English parentage in America, was participated in yesterday near Fort Raleigh on Roanoke Island by a large number of people from Dare and other counties. The celebration is an annual event under the auspices of The Roanoke Colony Memorial Association, of which Rev. Dr. R. B. Drane of Edenton, N. C. is President. The Sunday Schools of Roanoke Island, by invitation participated in the picnic in connection with the exercises. The following interesting program was enjoyed by all present: Call to Order—President Drane. Invocation Prayer—Dr. R. B. Drane. Address of Welcome—E. G. Crisp. Response—Charles B. Whedbee. National Anthem—My Country. Address—Rev. Jos. B. Cheshire. State Anthem—Carolina. Benediction. At the conclusion of the program a sumptuous dinner was spread upon tables that had been erected on the grounds and the multitude present enjoyed the appetizing viands the good housewives of this section know so well how to prepare. After dinner the time was pleasantly spent in visiting Fort Raleigh, the birthplace of Virginia Dare, the site of which is marked and a monument erected thereon by the Roanoke Colony Association. The weather was ideal and the occasion most pleasant to the large attendance. The address of Bishop Cheshire was a historical and literary gem.

The Elizabeth City Chamber of Commerce and other public organizations of this place will send a delegation to Norfolk, September 6, in a special coach, to attend the hearing of government engineers to consider arguments for each of the two proposed routes for the Norfolk Beaufort Inland Waterway from Norfolk to Albemarle Sound. The Elizabeth City delegation is vitally interested in the selection of the Dismal Swamp Canal over the Albemarle and Chesapeake route, because if the inland waterway doesn't come through the Dismal Swamp, Elizabeth City fears it will suffer irreparable loss. E. F. Lamb, president of the Chamber of Commerce has issued a statement calling attention to the position occupied by Elizabeth City people. "There are other interests at stake in the selection of the inland waterway route, than the canal owners," said Mr. Lamb, and we think the interests of the people are greater than those of the canal owners. "If the farmers, timber men, mill-lagers, residents of Elizabeth City do not make an emphatic protest against the selection of any other than the Dismal Swamp route and the inland waterway goes by the Albemarle and Chesapeake Canal, water transportation for the people of North Carolina will be shut off, property values will depreciate the commercial interests of Elizabeth City will be paralyzed and her trade will be diverted to other channels. "We hope to secure from the government engineers in Norfolk a consideration of our position that will secure a decision, will not spell disaster to this section of the State. "We have no private interests to represent. It is a question of public interest and supreme importance to others than stockholders of either or both canals. The special coach in which the Elizabeth City delegation expects to attend the Norfolk hearing, will be appropriately decorated with banners setting out the purpose of the delegation.

SIGNALS OF DISTRESS

Elizabeth City People Should Know

How to Read and Heed Them Sick kidneys give many signals of distress. The secretion are dark, contain a sediment. Passages are frequent, scanty, painful. Backache is constant day and night. Headaches and dizzy spells are frequent. The weakened kidneys' need quick help. Don't delay! Use a special kidney remedy. Doan's Kidney Pills cure sick kidneys, backache and urinary disorders. Elizabeth City evidence proves this statement. Mathias Owens, Elizabeth City, N. C., says: "I suffered severely for some time from backache and pains through my loins. My kidneys were also weak and too frequent passages of the kidney secretions caused me annoyance. Doan's Kidneys Pills procured at the Standard Pharmacy, regulated the kidney secretions and removed the backaches. I have not had a return attack of the trouble and for that reason, recommend Doan's Kidney Pills to anyone suffering from kidney complaint." For sale by all dealers. Price 50 cents. Foster—Muhlen Co. Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.
