times. If this will be done (and intelligent citizens can get it done by talking to their committemen) we will have begun to solve the

such as even the United States almost exactly the expenditure,

When you wish an easy shave, As good as barber ever gave, fust call on me at my saloon, At morning, eve or noon; I cut and dress the hair with grace, To suit the contour of the face.

THE LEMMINTON BARBER.

My room is neat and towels clean, Scissors sharp and razors keen, And everything I think you'll find To suit the face and please the mind, And all my art and skill can do, If you just call I'll do for you.
