Women as Well as Men

Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Mr. Henry, Baxley, brother of our townsman, Mr. Neill Baxley, happened to a bad accident a few days ago. While mounted on the top of a large wagon load of hay, he fell to the ground breaking his arm just below the elbow.

R. M. NORBERT, Postmaster.

A Son of Robeson County.

The Sparks Enterprise, of Sparks, Ga., contains an elaborate write-up of that town, and is illustrated with the numerous cuts of the various buildings of interest there. Prominently mentioned among those of its most prominent business men, whose energy and business ability have contributed to its rapid development, is Mr. B. A. Rowland, better known in this county as Ashley Rowland. He is a nephew of Mrs. Eliza Fuller, of this place, a grandson of Mrs. Mary Thompson, of McDonalds, nephew of Mr. J. P. Thompson, of Back Swamp, and a grandnephew of Mrs. Rosa Pitman, of Ashpole. He started in life without money and without an education as a day laborer on the farm of the late Richard Ashley, of Leesville. He afterwards accepted a place as clerk with Mr. Charles McKee, of Allfordville. About ten years ago he began a general merchandise and brokerage business at Sparks, Ga. A few years since, this company was incorporated with a paid in capital stock of \$10,000, and he was elected president. To this business he gives his personal attention, although he owns shares in other corporations in that flourishing town and has amassed considerable property. To his ability he has coupled energy and industry which have won him this prosperity. It is pleasant to read of the high estimation in which he is held by the people of the community in which he lives, and it is gratifying to know that this son of Robeson enjoys the reputation of being one of the best business men in his community. It is with regret, however, that we notice that so many capable men of this county are expending their energy in the upbuilding of other States, when the resources of their own home county are surpassed by none, and it would be proud if their labors were exerted here in its behalf.

Letter to A. L. Jones, ASHPOLE, N. C.

Dear Sir:—When you can buy paint for less than Devco; don't; save your money.

Mr. Aaron Higgins, Plainfield, N. J., always used 15 gallons of paint for his house; Devco took 11.

Mr. Ezra Rathmell Williamsport, Pa., always used 11; Devco took 6.

Mr. Burt Young, Girard, Pa., always used a gallon for certain rooms; took half as much Devco.

Mr. Nathaniel Barber, Canton, N. Y., bought 12 Devco; need less than 6.

You can always buy paint for less than Devco; don't; save your money.

The wearing counts the same way and doubles the difference.

The cost of painting is by the gallon. Weak paint cost most; most gallon.

Yours truly F. W. Devco & Co.

Circus Opposed by Prayer.

Barnum & Bailey's circus was billed for Davville, Va., last Friday, and it is alleged by those in charge of the Craighead Street Mission that the failure of the circus to perform in that city was due to the efficacy of their prayers.

All day services were held at the mission, commencing early in the morning. Prayer was held for several hours in the early morning, the petition being especially that the circus be not allowed to perform. It was not known till late in the forenoon that the circus managers had decided not to give the show there, and when the fact was learned there was much rejoicing. It is claimed that the failure of the circus to show was due entirely to the prayers of the mission people.

Mormons Buy a Jail.

Kookak, Ia., Nov. 5.—The Mormon church has purchased for \$4,000 the old jail at Carthage, Ill., in which Joseph Smith, the Mormon prophet, and Brother Hiram were killed by a mob in the early history of the state.

Walter Morrison, colored, accused of breaking into the dwelling of A. E. Cromitie, some months ago, and who has kept in hiding ever since, was captured Sunday night near town by D. pt. Sheriff T. L. Smith and posse. The negro crimed with a gun, baraded himself in his house and threatened the life of the first one to enter, but our gallant young D. pt. was not to be bluffed in any such manner and did not only knock down the door, but the negro also. He was quickly hand cuffed and carried to jail Tuesday.—Scottish Chief.

Talk is Cheap, But We Won't Talk!

BECAUSE, OUR PRICES TALK!

and the last four years we have been in business in Ashpole show that it was not a voice calling in the wilderness, but a leading star in the business firmament, because it was no idle talk. Why! because it saved many people many of their hard and honest earned dollars, and we are glad to note that it was appreciated immensely by all. Because every other man or lady you meet is dressed in something bought from us, and any one can recognize goods bought from us. Why! Because

Clothing, Shoes, Hats, Caps, Jackets, Capes, Dry and Dress Goods

bought from us has a neat appearance, and with life all over it. Ask any one where to buy goods, and the answer invariably will be go to DUNIE BROS. ASHPOLE, N. C.

A REASON FOR IT!

WE WILL GLADLY EXCHANGE the greater portion of our present immense Stock of Goods for Cash. We do not care to close out entirely, but we will be glad to part with at least \$80,000 WORTH OF MERCHANDISE during the months of September, October, November and December.

Every Department of our Store and Warehouses is Crowded—except the Cash Deposit Boxes—we have plenty room there.

ON OUR FIRST FLOOR

The Stock of Dry Goods fills the shelves, covers tables and counters and fills drawers under the counters, with a reserve stock on the second floor sufficient for an ordinary store.

It is the same way with SHOES. They are actually in the way. They are piled up and stacked up on both first and second floors and they are good shoes, too. The other kind displeases our customers.

Every audience which has assembled this summer has shown an unusual number of PRETTY LADIES in attendance; yes, beautiful girls and women.

OUR MILLINERY DEPARTMENT

Is entitled to credit for a great deal of the charming attractiveness of such gatherings. Our aim is to even exceed ourselves this Fall. We shall have the GREATEST STOCK OF MILLINERY GOODS—LADIES' WRAPS, CLOAKS, &c—ever carried by any Store here.

MEN'S CLOTHING

Well, we have such a great stock we can't talk about it, but will just say, COME AND SEE IT. In a great stock like ours it is almost impossible to specify articles, but we must refer to lines of goods in a rather wholesale way.

THREE CAR LOADS OF FURNITURE, ONE CAR LOAD OF STOVES, CAR LOAD TRUNKS, BASKETS, CROCKERY, CAR LOAD TOBACCO, SNUFF, CIGARS, &c.

TWO CAR LOADS FLOUR, CAR LOAD SALT, CAR LOAD HAY, CAR LOAD "ANCHOR" LIME, &c., &c.

We ask an inspection of our Stock, promising fair and square treatment to all customers. Respectfully,

DR. MOFFETT'S TEETHINA

(TEETHING POWDERS)

Rev. J. W. Berry (of Arkansas Methodist Conference, writes): "Enclosed find fifty cents for which please mail me two packages of 'TEETHINA.' We wonder how we have raised children without it. The other day's lady in England sent me a package and it came at a most opportune time; our babe was in serious condition; his bowels had been in bad condition for days, and nothing that we gave did any good; the second dose of 'TEETHINA' gave perfect relief and he has had no further trouble. Other members of the family have used it and every day see him in perfect health."
