

THE ROBESONIAN.

PUBLISHED TUESDAYS AND FRIDAYS... FRIDAY, April 22, 1904.

Judge Peebles has named the 10th of May and the city of Fayetteville as the time and place for bearing the contempt proceedings...

The Russian government has given notice that newspaper correspondents using wireless telegraphy will be treated as spies and shot.

A level headed gentleman asked us a few days since our opinion on the question of a Primary for Robeson county for the coming election.

The action of New York in declaring for Judge Parker and instructing its delegates to support him in the Democratic National Convention is significant.

It is altogether a mistaken idea that because our county is solidly Democratic that we can allow ourselves greater liberties in voting than would otherwise be accorded.

Mr. D. A. Tompkins, of Charlotte, while here a few days since asked where our people found all the money with which they were organizing so many new enterprises and establishing so many substantial marks of prosperity.

Lumber Bridge Locals.

Miss Mollie Johnston, of Williamsburg county, S. C., is visiting her sister, Mrs. J. F. Gilmore.

Miss Mary Stewart, having finished her school work at Rex and done so with great success, left for her home in Laurinburg Tuesday morning.

Mrs. Thomas Stamps and daughter, Miss Pauline Stamps, returned Saturday after an absence of a week. They visited Mr. Preston Stamps at Alderman.

Dr. Thomas Stamps has decided to stay in New York two weeks longer. We are glad to say there is very little sickness in the community and there never was a time, therefore, when we could spare him to leave.

Fayetteville Presbytery meets next Monday at Ashpole church. Mr. Neill Shaw is the delegate elect from Lumber Bridge church to Presbytery, and D. D. Hughes is the delegate from Shannon church.

There was no insurance upon the residence of Mr. H. H. Hodgins. Very fortunately he is able to rebuild. We hear he expects to replace the building at once.

It is a great loss he sustained, but suppose he was unable to rebuild how much sorer would the loss be. The wiser man will always carry some insurance.

About as many dwellings are burned, it appears, in summer as in winter, hence no business man feels he can allow any season or day to go by with his property uninsured.

We wonder how many men there are in the county who have not paid their poll tax and are in danger of putting it off and losing their vote in 1904.

A great and dangerous fire raged in the forests nearby last Saturday. For a part of the time it was uncontrollable. Fortunately no damage was done, save the burning of several hundred panels of fence around Mr. Peter Monroe's farm.

Rain fell about one o'clock and arrested it, and but for that there is no telling what damage would have been wrought by it.

The public school in the Academy closed Wednesday. Teachers and scholars alike are glad that the time is short (May 13) when the year, 1903-4, will come to an end.

A blaze of educational oratory, a big crowd and a big dinner will be a fitting finale.

Messrs. M. L. Marley and ex-Sheriff J. W. Hall went down the A. C. L. road Tuesday on business bound.

Rev. I. Johnston preached two fine sermons here Sunday to two fine congregations.

Ashpole R. F. D. No. 3.

The farmers in this section are busy planting cotton. The farms are in good shape. Quite a number of farmers planted tobacco last Monday.

We learn that quite a number of our people were shopping in Lumberton last week.

Mrs. Nathan Andrews is spending some time in Ashpole. Miss Maude Mitchell is visiting at Latta, S. C.

Messrs. O. I. Floyd, Avert Mitchell and others, from Ashpole, attended church at Iona Sunday.

Miss Anna McLeod has returned from an extended visit to relatives at Dillon, S. C.

Mr. and Mrs. Foster Davis, of Lumberton, were visiting at Mr. J. F. Parker's Saturday and Sunday.

Grandmother Grantham is much improved, we are glad to state.

Mrs. J. E. Parker has been on the sick list for several days, but is improving.

We have been informed that the Iona school will close May 13th with a picnic. The ladies are supposed to bring a basket, and the gentlemen lemons, ice and sugar. Come, boys, let us have a good time. Miss Booker hit upon a good plan.

Ashpole Items.

Mr. A. S. Thompson returned last week from a business trip to Raleigh and other points.

Dr. J. B. Brown spent last Tuesday in Boardman.

IT IS A MATTER OF HEALTH!

Page's Mill, S. C.

Mr. Joel Bullock, a highly esteemed citizen of the Page's Mill section, died on Tuesday.

Mr. Bullock was an old veteran. He had been a great sufferer for several years. He leaves a wife and seven children to mourn their loss.

The strawberry farms of both Mr. Timothy Page and Messrs. Oscar and John Page, are looking well. This is their first venture in strawberries.

Rev. John Mason is building a six room dwelling at Page's Mill; this, with the other residences lately erected, and the large store houses, gives the place a "coming look."

Mr. Jesse Ford is still feeble, but we hope is gradually growing stronger as the summer advances.

The little town of Marietta is building up quite rapidly. Among the buildings going up, we noticed one being erected for Mrs. Oliver.

A very pretty home wedding took place on Wednesday afternoon at the residence of Mr. Wm. Page. The contracting parties were Mr. Sheppard McKenzie, of Dillon, S. C., and Miss Victoria Page, youngest daughter of Mr. Wm. Page.

Rev. F. O. S. Curtis performed the ceremony. The bridal party had a reception at their home near Dillon that night, which was a very pleasant affair.

St. Paul's Items.

The Presbyterian parsonage has been painted and its appearance greatly improved thereby.

Dr. T. L. Northrop returned last Monday from Laurinburg whither he had been summoned on account of the serious illness of his mother. His mother has greatly improved.

Mr. John McNeill, of Benson, recently spent several days in this community.

The school at Centerville, Mr. J. C. Blanchard principal, will close on Friday, the 29th inst., and not on the 19th as announced in the last issue of the Robesonian.

Mr. H. E. Peele, traveling representative of the Lumberton Argus, was here a few days ago in the interest of that paper.

Mr. A. R. McEachern, who went to Citra, Florida some days ago in answer to a telegram announcing the critical illness of his brother, Mr. Duncan McEachern, returned last Saturday and reported a decided improvement in his brother's condition.

Mr. J. G. Hughes, a prominent merchant of Parkton, was married last Wednesday to Miss McQueen, of Georgia.

The decision of our County Board of Education not to have an institute in Robeson county this year, but to accept the liberal proposition of the Raleigh Summer School, was a wise one and should meet with the approval of Robeson county teachers.

This proposition will enable the teachers of the county to go free of tuition, and as board is only \$10 per month, it is to be hoped that a large number of our teachers will go and avail themselves of the many advantages offered by this popular summer school.

Miss Eoline Shaw, accompanied by Misses Hattie Lou Smith, Sallie McNeill and Lala Commander, all of the Southern Presbyterian College and Conservatory of Music, spent last Sunday and Monday, with Mr. and Mrs. L. Shaw.

His Weight in Gold.

Mr. C. B. Muse, a veteran gold miner, of Cabarrus county, was in the city yesterday with several nuggets of the precious metal in the pockets of his jeans.

The Charlotte Observer, says the Charlotte assayer, in the possession of his treasure at the assay office and went home happier for the possession of wealth more conveniently classified for practical purposes. Mr. Muse is a bachelor and lives by himself.

Mr. Muse said yesterday—and everybody in Cabarrus county will bear him out in the statement—that he has dug out of the earth more than his own weight in pure gold.

A New Hampshire man delay d proposing to a girl thirty-two years. Two hours after being accepted he died. The dispatch does not say whether death was caused by joy or disappointment.

Wished to End Life

From the Wilmington Messenger: John Biggs, a young white man living at 313 Harnett street, attempted to commit suicide yesterday afternoon by taking three ounces of laudanum and he came very near accomplishing his purpose.

The young man seems to have been driven to this rash act in a fit of anger. He left home on Wednesday night and did not return until about 2 o'clock yesterday afternoon when he was severely admonished about the manner in which he had acted.

Young Biggs grew desperately angry at his parents and went to the drug store of Fontaine & Moore, where he secured the deadly drug. He then returned to his home and drank the contents of the bottle.

The physicians stated late yesterday afternoon that they thought Biggs was out of danger.

To Cure A Cold in One Day. Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box 25c.

THE State Life Insurance Company of Indianapolis, Indiana.

Is the leading Life Insurance Company of Indiana and the most successful Life Insurance Company in the world to its age. It is a young Company which secures for it a low death rate and enables it to pay large dividends and accumulate a large surplus.

It is financially the strongest Life Insurance Company East of the Mississippi in that the state of Indiana is the custodian of its reserves under compulsory legal reserve deposit law of Indiana. It is a Mutual Company. A Life Insurance Company is nothing if it has not the element of permanency. It should not be used to subserve private interests. It should be a Mutual Company—that is, a company of the Policy holders, for the Policy holders and by the Policy holders. Let us show you our contracts.

PRESERVATION of the TEETH

is an important matter. There are hundreds of tooth powders, washes, etc., but the production of an article that is harmless, effective, antiseptic and agreeable is really the work of the chemical expert.

ENTHYMOL TOOTH PASTE supplies all the requisites. It is made by Parke Davis & Co. This is sufficient guarantee of its quality. Have you tried it? If so, you are using it, and no doubt can issue. This is always the result. We have it in tubes at 25c each. Call for sample.

SAY! SAY!

The Spring is now opening and general house fitting is in order. I am prepared to clean and repair old furniture until it looks like new; replace the mirror broken in your dresser; make strong and new that old chair you threatened to throw away. Don't stand back because your furniture looks bad. Give me a trial and I will convince you that it can be made to look as good as new.

Yours truly, A. L. MERRICK.
