# SPECIAL EXHIBITION.

We call the attention of the Public to an extraordinary event in which all good citizens can, with propriety, feel and manifest an interest. The Merchant and his wares are almost indispensable to the comfort, happiness and prosperity of a community-the better he serves a community the more be contributes to these desirable conditions. Our aim and efforts since January, 1884, to the present, (20 years) have been to render the very best service to our customers. We believe we have added to the comfort of many, to the happiness of many more, and to the prosperity of a great multitude.

Our present circumstances as merchants lead us to believe that we can meet the demands, desires and expectations of the trading public to a greater degree than we have done in the past. Our Stock of Goods at the present is greater than we have ever carried. We had to provide more room, so we have just completed another store, adjoining the ones heretofore occupied by us, which gives us a block of four Stores, and, in addition to these Stores, we have three Warehouses. All of these buildings ard now filled with goods of almost an endless variety, and in order to afford an opportunity for an inspection of this large stock, we have set one week in October as a SPECIAL EXHIBITION WEEK.

Beginning on Monday, October 24th, we shall keep "open house" to all visitors. All can come feeling perfect freedom to visit all our various departments, examine any and every article, get any information desired that we can give, without feeling under any obligations to make any purchases. We shall have an extra force of employees whose duty it will be to wait on all callers without effort to sell goods. We ask a large attendance of all who would like to be well posted as to the Merchandise now stored in this town for the special purpose of affording variety from which to make selections. Now, as this is to be a special opening of our large Fall Stock, no such occasion has been presented or will be repeated,

We desire to impress the fact that we hav + made unusual preparation for this event. There will be special display of goods in every department-Dry Goods, Notions, Millinery, Clothing, Shoes, Carpets, Housefurnishings, Furniture, Gloceries, etc.

Please remember the dates: October 24th, 25th, 26th. 27th, 28th and 29th,

This will be an opportunity which we can not afford to repeat in the details and arrangements employed on these dates. We promise a pleasant occasion to all visitors.

CALDWELL & CARLYLE, Lumberton, N. C.
