It is about an even wager as to whether Addicks or Niedringhaus will hit the bottom of the Senatorial toboggan first.

George Washington and Theodore Roosevelt are the only Presidents whose opposition at election time was found in the column marked "Scattering."

Night Prowling Thieves.

Croup and Whooping Cough come like a thief in the night, stealing in to fasten the fangs of mortal disease upon the children as they peacefully sleep in their little beds. Kennedy's Laxative Honey and Tar, the new discovery for Coughs and Colds, will drive out these death-dealing demons before the doctor can arrive. It protects the lives and health of the little ones. Contains no opiates. Keep it handy. Sold by Dr. H. T. Pope & Co.

There was a small riot at Saluda, N. C., Saturday afternoon between the town marshal of that place and several citizens on one side and a gang of negro toughs on the other. Twenty or more shots were fired and the result was that the town policeman and one negro were wounded, but neither seriously. After the smoke and excitement died away the gang was rounded up and landed in Polk county jail.

Gov. Vardaman wants to come to the Senate. He would make an ideal Senator for a State that wants that kind of a Senator.

Addicks is said to have executed a financial coup and to be in funds again. This will be cheering news to certain Delaware politicians who feared they might have to work for a living.

Can't Lose a Humbug.

Very Cautious.

The modern highwayman approached in automobile, ran down the road, and then demanded his watch.

A Living Monument.

If we were to assemble all those who have been cured of heart disease by Dr. Miles' Heart Cure, and who would to-day be in their graves had not Dr. Miles' been successful in perfecting this wonderful heart specific, they would populate a large city.

What a remarkable record—a breathing, thinking, moving monument, composed of human lives,—that for which every other earthly possession is sacrificed.

The Miles Medical Co. receive thousands of letters from these people like the following:

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath after any little exertion, palpitation of the heart; and at times terrible pain in the region of the heart, so serious that I feared that I would some time drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions, with the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble; in fact I am a traveling advertisement, for I am widely known in the locality."

J. H. BOWMAN, Manager of Lebanon Democrat, Nashville, Tenn.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money. Miles Medical Co., Elkhart, Ind.

Cost of the Dosing Habit.

Take all the cocoa and chocolate manufactured in this country in a year. Add all the blacking and bluing, the favoring, and extracts and the axle grease. Take next a year's product of the best sugar industry which was important enough to hold up a great treaty for two years in the Congress of the United States. Throw on all the glue, the refined lard, the castor oil, the perfumes, and cosmetics, and the kindling wood. Finally, put on top of the pile the entire output of ink and maulage. The total value of this accumulation will still be less than that of a year's product of what we call "patent medicines."

The census of 1900 placed the value of "patent medicines" produced in this country annually at \$59,611,835. As the average profit is about one third, this means that the sum paid over the retail druggists' counters, taking no account of increased consumption in the last four years, is something like \$80,000,000 a year, about \$1 for every man, woman, and child in the country.

Cancer Cured by Blood Balm.

Mrs. M. L. Adams, Fredonia, Ala., took Botanic Blood Balm which effectually cured an eating cancer of the nose and face. The sores healed up perfectly. Many doctors had given up her case as hopeless, hundreds of cases of cancer, eating sores, suppurating swellings, etc., have been cured by Blood Balm. Among others, Mrs. B. M. Gueney, Warrington, Stand, Ala. Her nose and lips were raw as beef, with offensive discharge from the eating sore. Doctors advised cutting but it failed. Blood Balm healed the sores, and Mrs. Gueney is as well as ever. Botanic Blood Balm also cures eczema, itching humors, scabs and scales, bone pains, ulcers, offensive pimples, bad poison, carbuncles, scold's rashes and bumps on the skin and all bowel troubles. Druggists, \$1 per large bottle. Sample of Botanic Blood Balm free and prepaid by writing Blood Balm Co., Atlanta, Ga. Describe trouble and special medical advice sent in sealed letter. It is certainly worth while investigating such a remarkable remedy, as Blood Balm cures the most awful, worse and most deep-seated blood diseases.

Possibly Another World's Fair.

Whether or not there will be an exposition held in 1909 to celebrate the 1000th anniversary of the discovery of the Hudson River is yet undecided, but several New York City societies are considering the matter and may do it for the glory of New York. If there is an exposition it will not be held in the city, of course, for there is no room for it unless on Long Island, and to ask the people to go to Long Island would be a surd. The site suggested is on the Hudson's bank, at Verplanck's point, Westchester county—a fine place, easily accessible.

Sick Headache.

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose of two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these Tablets as soon as the first symptom of an attack appears. Sold by Dr. H. T. Pope & Dr. R. G. Rozier.

Valuable Unclaimed Property.

The stories of lost and unclaimed property form a monumental history of human carelessness. Equally so, it would seem, is the story of unclaimed stolen property. In the Rue des Ecoles, in Paris, a yearly sale takes place of objects found on thieves and murderers unclaimed by their owners. It is truly surprising that so many people refuse to claim what belongs to them. Among the things on view the other day were a pair of earrings, sold for \$45, a pearl brooch \$110, and one brooch \$240. There were dozens of diamond rings, splendid gold watches and chains, and one diamond weighing three and one half carats.

A Safe Cough Medicine for Children.

Would Stand High.

"I hear your wife gave you a good rating last night," remarked the sporting citizen.

"Yes, she gave me a good rating," admitted the convivial citizen. "Such a good rating, in fact, that it's a pity I can't use her as a reference instead of Bradstreet."
