No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour stomach, and distention of the stomach are all due to indigestion. Kodol cures indigestion. Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A POLICY IN THE STATE LIFE INSURANCE COMPANY AS GOOD AS A NATIONAL BANK NOTE.

A National Bank Note may be good because it has a solvent institution behind it, but it circulates in every part of the country without question—not on that account, but because it is secured by a deposit with the Government.

The difference between a policy holder in a Company depositing a legal reserve with the State and one that does not, is practically the difference between a man holding a bank note and one that is merely a depositor in a bank.

The Law of Indiana. The Law of Indiana prescribes the kind of securities companies shall invest in. It provides that they shall be deposited with the State to the amount of the net cash value of all policies in force.
