

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kaule, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure.

"How Come the Difference."

The Esteemed Greensboro Record is puzzled. That paper says:

How the Dickens is a man to know when he is doing the right thing? Down at Durham the good people are raising shindy because an effort is to be made to install a dispensary, while at Raleigh they are doing the same thing because they are trying to kill the institution there. The preacher men at Durham call a dispensary all sorts of names, while at Raleigh it's a daisy with frills. How come all this difference in places only a few miles apart?

Lean closer. Joe and we'll whisper it. The dispensary is a fraud and a humbug. The Raleigh people are finding it out by trying it, while those who are "raising shindy" over at Durham have found it out without trying it. Get that?—Raleigh Post.

Chamberlain's Cough Remedy Aids Nature.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition. Sold by Dr. H. T. Pope & Co. and Dr. R. G. Rozier.

Many Victims of Anarchy.

Kermit Roosevelt a Hero.

Burlington, Iowa, Sept. 1.—Kermit Roosevelt was the hero of the hour on a Burlington train which passed through here early today. An old couple boarded the train at Omaha and not having reserved a berth were unable to secure any but an upper. Young Roosevelt hearing of the annoyance to which they were put tendered to them immediately his lower berth and took the upper one himself.

THREE JURORS CURED.

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by Dr. H. T. Pope & Co. and Dr. R. G. Rozier.

Cured of Lame Back After 15 Years of Suffering.

"I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Fisher, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by Dr. H. T. Pope & Co. and Dr. R. G. Rozier.

"A new way of measuring men's clothes" is proposed. The old way of measuring them by the purse or the tailor's good nature will still obtain with most of us.

It is not so much a question of what we shall do with our ex-President as it is what Mr. Roosevelt can do to utilize all this advertising.

How Is Your Heart?

Is your pulse weak, too slow, too fast, or does it skip a beat?

Do you have shortness of breath, weak or hungry spells, fainting, smothering or choking spells, palpitation, fluttering, pains around the heart, in side and shoulder; or hurt when lying on left side?

If you have any of these symptoms your heart is weak or diseased, and cannot get better without assistance.

Dr. Miles' Heart Cure strengthens weak hearts, and rarely ever fails to cure heart disease. Try it, and see how quickly you will find relief.

"About January 1st, 1902, I took down with weakness and dizziness, and gradually grew worse. I was told by my family physician that my case was hopeless. My neighbors and family had given me up to die. My limbs and body were swollen to one-third larger than normal size, and water had collected around my heart. For at least three months I had to sit propped up in bed to keep from smothering. I sent for five bottles of Dr. Miles' Heart Cure, and by the time I had taken them all I was entirely cured. I feel better than I have for twenty years, and I am able to do any kind of work on my farm. My attending physician told me that if it hadn't been for Dr. Miles' Heart Cure I would now be in my grave."

L. T. CURD, Wilmore, Ky.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

A POLICY IN THE STATE LIFE INSURANCE COMPANY AS GOOD AS A NATIONAL BANK NOTE.

A National Bank Note.

A National Bank Note may be good because it has a solvent institution behind it, but it circulates in every part of the country without question—not on that account, but because it is secured by a deposit with the Government. In the same manner, every policy in the State Life Insurance Company is secured by a deposit of its entire cash value with the State of Indiana.

The Difference To A Policy Holder

The difference between a policy holder in a Company depositing a legal reserve with the State and one that does not, is practically the difference between a man holding a bank note and one that is merely a depositor in a bank. As long as the bank is solvent his deposit is good, but whether the bank is solvent or not, his note is good by reason of the bank's deposit with the Government. The notes of National Banks that have failed, at a great loss to depositors, still circulate as currency, redeemable by the Government.

The Law of Indiana.

The law of Indiana prescribes the kind of securities companies shall invest in. It provides that they shall be deposited with the State to the amount of the net cash value of all policies in force. Under such a law, governing the investment of funds and their custody, solvency is absolutely guaranteed. The funds of the company cannot be squandered in extravagant expenses, or invested in doubtful securities. No other State East of the Mississippi so fully safeguards the interests of policy holders. The securities deposited with the State to secure the policy holders of the State Life Insurance Company are absolutely perfect. No industrial stocks or mortgages are permitted by law as property of this company. There is no chance for jobbery or fraud in handling this Company's funds. The managers are not permitted to build houses, promote enterprises, or to buy Rail Road stocks or mortgages with the funds of the State Life Insurance Company.
