Miss Faulk has for a number of years been a resident in the home of Mr. Godwin, and has won a host of friends here. She is one of our most popular young ladies; of charming personality, and attractive appearance. Mr. Ward, who for some time past has held the position of cashier of the Robeson County Loan & Trust Company, but a few months ago, resigned to accept the proprietorship of the Waverly Hotel, is one of Lumberton's most popular young men, a man of business ability, and sterling qualities.

Letter to J. W. Kancer, Lumberton, N. C.

Dear Sir: It costs two or three times as much to put paint on as to buy it. A gallon of poor paint costs as much as a gallon of good, for the work; and a gallon of poor don't go half as far. Poor paint lasts half or a third or a quarter as long as good; and protects wood and iron a half or a third or a quarter as well as good.

Do you buy good paint or poor? You don't know any poor? Why, the market is full of it!

All Devco agents have a state chemist's certificate which tells just what's in Devco.

Go by the name: the one safe name: Devco lead-and-zinc.

Yours truly  
 F. W. Devco & Co.
