When pa picks up the paper He reads of baseball folks, Ma goes through the births and deaths, And puzzles o'er the jokes She reads the editorials—

The paper keeps pa posted On subjects of the day; The paper keeps ma posted, too, In her erratic way.

Chamberlain's Cough Remedy Aids Nature.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition.

High Tide of Prosperity.

The year 1905 stands out as a record-breaker—"a year of superlatives in the business world," as Dun puts it. Prices of the sixty most active railway securities have reached the highest point on record; the output of pig iron in the first half of 1905 not only far surpassed any preceding six month's production, but exceeded every full year prior to 1898; prices of hides are at the highest position since the civil war; wool quotations have not been as strong since the early '80's; shipments of footwear from Boston are close to the maximum, and including all shoe centers, the movement this year is beyond precedent.

CANCER CURED BY BLOOD BALM.

Mrs. M. L. Adams, Fredonia, Ala., took Ectanic Blood Balm which effectually cured an eating cancer on the nose and face. The sores healed up perfectly. Many doctors had given up her case as hopeless. Hundreds of cases of cancer, eating sores, suppurating swellings, etc., have been cured by Blood Balm.

A Strange Story.

A very remarkable story is afloat in the county concerning the murder of J. L. Patterson, at Fort Mill. It is rumored that Mrs. Ed. Deaton, of Chester, is moving to get a pardon for her husband, who is serving a long term in the penitentiary for having killed Patterson.

THREE JURORS CURED.

Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us."

Rheumatism, gout, headache, acid poison, are results of kidney trouble. Hollister's Rocky Mountain Tea goes directly to the seat of the disease and cures when all else fails. 35 cents. Ask your druggist.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also

convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of 'Swamp-Root' is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A POLICY IN THE STATE LIFE INSURANCE COMPANY AS GOOD AS A NATIONAL BANK NOTE.

A National Bank Note. A National Bank Note may be good because it has a solvent institution behind it, but it circulates in every part of the country without question—not on that account, but because it is secured by a deposit with the Government. In the same manner, every policy in the State Life Insurance Company is secured by a deposit of its entire cash value with the State of Indiana.

The Difference To A Policy Holder

The difference between a policy holder in a Company depositing a legal reserve with the State and one that does not, is practically the difference between a man holding a bank note and one that is merely a depositor in a bank. As long as the bank is solvent his deposit is good, but whether the bank is solvent or not, his note is good by reason of the bank's deposit with the Government.

The Law of Indiana.

The law of Indiana prescribes the kind of securities companies shall invest in. It provides that they shall be deposited with the State to the amount of the net cash value of all policies in force. Under such a law, governing the investment of funds and their custody, solvency is absolutely guaranteed. The funds of the company cannot be squandered in extravagant expenses, or invested in doubtful securities. No other State East of the Mississippi so fully safeguards the interests of policy holders. The securities deposited with the State to secure the policy holders of the State Life Insurance Company are absolutely perfect. No industrial stocks or mortgages are permitted by law as property of this company. There is no chance for jobbery or fraud in handling this Company's funds. The managers are not permitted to build houses, promote enterprises, or to buy Rail Road stocks or mortgages with the funds of the State Life Insurance Company.
