

# THE LAST ACT OF KINDNESS!

There comes a time when the Last Act must be performed for our Friends and Kindred, that of tenderly laying the body away in its last resting place. This, all desire to do decently and in order.

We announce that we have purchased from Mr. O. C. Norment his stock of Burial Caskets, Coffins, Robes, &c., together with the good will of said business, and that we have purchased additional stock of these articles, and in addition thereto, we have purchased an Eight Hundred Dollar Hearse and other necessities, which we expect to receive in a few days, so we will be prepared to furnish proper conveniences for burials. We will carry all grades of Caskets, Robes, Etc., and this line will represent an investment of Three Thousand Dollars, which we have been influenced to make through our desire to be of greatest assistance to stricken homes of our Town and Country. We are now building a warehouse to be fitted with Cases to keep in good order a good stock of these supplies.

**SPECIAL NOTICE**---We shall sell these supplies on same terms that they have heretofore been sold by Mr. Norment, and on same terms that they are sold by all Dealers, **STRICTLY FOR CASH.**

#### Fire at Fork.

The store and stock of goods of Mr. Foster C. Rogers, of Fork, one of the most prominent merchants of Fork, was burned early last Wednesday morning. The store had been opened early by Mr. Rogers, and a fire made in the chimney fireplace. It was then closed and while Mr. Rogers had gone to breakfast, it was discovered to be on fire, having caught on top of the building. It is not known whether the fire originated from a spark from the chimney, or from the smoke-stack of the engine of a nearby ginney. However, when it was discovered too much headway had been made for anything to be saved, and the efforts of those who gathered were devoted to saving the ginney which was also in danger of being consumed. There was \$500.00 insurance on the store building, and \$1,000.00 on the merchandise, which lacked about a thousand dollars of covering the loss. —Marion Star.

#### Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey & Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds.

The news of the destruction by fire of 810,000 gallons of whisky at Connellsville, Pa., was sad enough to some people without the added statement that the stuff was "over eight years old."

#### A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc. Guaranteed at all Druggists; 25c.

Tammany leaders oppose the opening of the election boxes in New York. Tammany knows what's in them.

After reading the testimony of Odell and Hyde in the insurance scandal, the conclusion is forced that the word of one of them is as good as the other's.

#### Every Ounce You Eat.

Every ounce of food you eat that fails to digest does a pound of harm. It turns the entire meal into poison. This not only deprives the blood of the necessary tissue building material, but it poisons it. Kodol Dyspepsia Cure is a perfect digestant. It digests the food regardless of the condition of the stomach. It allows that organ to rest and get strong again. Relieves Belching, Heart Burn, Sour Stomach, Indigestion, Palpitation of the Heart, etc. Sold by Dr. H. T. Pope & Co.

Many follies are only refreshed by refutation.

#### Health in Business.

The great reason why a man should be always healthy and active is because it is difficult for a man suffering from poor health to do his work at all, and also for psychological reasons a man is much better able to meet and overcome all objections raised against by his customers if he is full of vitality, both mentally and physically, than a man who is feeling seedy or run down, or is suffering from overstrain; for when a man is in this condition he cannot have the command over his subject that is vital to his obtaining the order for which he is seeking, says an exchange. A sickly man is generally self-conscious, and he lacks the confidence and magnetism that go so far towards influencing men's minds in this direction.

Business men cannot afford to indulge in heavy drinking, late hours or other forms of dissipation.

#### MINISTER TELLS THE TRUTH

No man in the community is so well-beloved or whose words have such weight as the minister, who has devoted his life to the service of mankind. In Maryland one of the most noted Methodist ministers in the State suffered severely with rheumatism. He found no relief until a friend recommended RHEUMACIDE. He was so delighted with the results that for the benefit of other sufferers, as a duty to mankind, he tells his experience in the following letter:

"Reisterstown, Md., February 27th.

"I was taken with Inflammatory Rheumatism in my left hand and foot in the beginning of this winter and suffered greatly. A gentleman in Baltimore who had tried RHEUMACIDE for Rheumatism recommended it to me. I secured three bottles and took it in smaller doses than prescribed and am now entirely cured. Can use both hand and foot without the least inconvenience.

Yours respectfully,

J. R. Wheeler.

Pastor Reisterstown M. E. Church. Your druggist sells and recommends RHEUMACIDE

"I have no doubt that when the tariff is again revised changes can be made in the iron and steel schedule providing for reduction," says Senator Allison. That's encouraging, as the latest hint on the subject came from Representative Dalzell, who seems to think the schedules should be increased.

#### Sluggish Liver a Foe to Ambition.

You can not accomplish very much if your liver is inactive as you feel dull, your eyes are heavy and slight exertion exhausts you. Orino Laxative Fruit Syrup stimulates the liver and bowels and makes you feel bright and active. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and very pleasant to take. Orino is more effective than pills or ordinary cathartics. Refuse substitutes.

#### Dealing With Ink Spots.

"I want to tell you how my laundress removes ink stains, even when the article spotted has been afterward boiled and ironed," says a writer in the Boston Herald

"A dresser scarf, having been vainly treated to a milk bath and everything else which I could hear of as remedial, was thrown away.

"Bessie begged to be allowed to try her way with the stains. The scarf was well soaped, rubbing the soap on the spots as thickly as possible, then put into a clean pan and about a half cupful of kerosene poured on it. Enough cold water to cover the cloth was added and the pan put on the back of the kitchen range to heat slowly.

"It may be necessary to repeat this process, but eventually the stain is removed. She also uses the soap and kerosene treatment for the little white suits which small boys make black with dirt and green with grass stains. No one in our neighborhood hangs out whiter washings than Bessie, whose story I will give you in detail if you would like to have it for the benefit of 'women in want of work.'"

#### No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. For sale at McMillan's Drug Store.

The King of Greece buys his wife a new gown every day and is putting himself in position to have some one ask "Where did he get it?"

#### But Few Are Free

But few people are entirely free from indigestion at this season of the year. Kodol Dyspepsia Cure is not only the best remedy to use because it digests what you eat but because it also enables the digestive apparatus to assimilate and transform all foods into tissue building blood. Kodol relieves sour stomach, heart burn, belching, and all forms of indigestion.

Some men are born fools, but it takes a lot of labor to make a dude.
