The Reason

The Artistic Stieff Piano is a favorite wherever known for its purity and individuality in tone, quality and unequalled durability.

It is the only high-grade artistic piano that can be bought direct from the manufacturer, thus saving middleman, jobbers, retail dealers, or agents' profits and commissions in the home.

In purchasing the Artistic Stieff, the buyer ABSOLUTELY runs no risk of having a cheap or sten-sil piano foisted on them.

Chas. M. Stieff, Manufacturer of the Piano with the Sweet Tone.
