

The Important Matter Claiming Attention at This Time Is the Selection Of Fertilizers for use in 1906.

It is a SETTLED QUESTION that it pays to use Fertilizers liberally, and when this is followed by thorough cultivation on land that is properly drained, good crops are almost assured. We link our business, as Merchants, to that of the Farmers, as Agriculturist, and consider that we are all mutually interested in good crops, and to this end we offer Fertilizers of Best Reputation and Guarantee as to Quality and true worth.

We sell Guano made of Animal Bone, Fish Scrap and other ingredients, recognized as best Fertilizing Materials, as well as Guano made of Cotton Seed Meal as principal source of Ammonia. We carry also, Best German Kainit, High Grade Acid Phosphate, Nitrate Soda, Muriate Potash, Cotton Seed Meal, Etc. We sell also, Genuine Peruvian Guano, the supply being received from two Islands, the analysis of one being 23 per cent. Acid, 3.60 Ammonia, 4.25 Potash, and the other being 9 per cent. Acid, 9 per cent. Ammonia, 2 per cent. Potash. The quantity of these goods is limited.

Of course our Stock of Goods is still at the top for Assortment, Quality, Styles, Prices, Etc. Come to see us and let us transact some business together in 1906. Very Respectfully,

CALDWELL & CARLYLE. LUMBERTON, N. CAROLINA.

LIKES THE ROBESONIAN.

Dr. D. McCallum Says It is Like a Letter From Home.

In sending his renewal to The Robesonian, Dr. D. McCallum, a former resident of the county, says in a letter to the editor:

I can't well do without the Robesonian, as it is equivalent to a letter from my old home, twice a week. I left North Carolina in 1870, settled in Westville, then, and have been here ever since. Great changes have occurred since then. Then, there was not a railroad in thirty miles of Westville. Now there are three in the county, one in a mile of Westville. In 1895, my oldest daughter, Lula McCallum, visited relatives and friends at Alfordville and Rowland. After having been there several weeks, she wrote to her mother in these words: "Mama, this is a country of schools, churches and hospitality." Can more be embodied in three words? Hardly. I attended the Charleston Session in 1903 and went up to my old home place at Alfordville for several days. Everything seemed strange. Nothing looked natural. Even the old homestead didn't look natural. I have often told my friends here that Aspsle Presbyterian church, Robeson county, N. C., is the grandest country God ever made. Taking all things into consideration, its "churches, schools and hospitality," is the motive power there.

The Secret of Success.

Forty million bottles of August Flower sold in the United States since its introduction! And the demand for it is still growing! Isn't that a fine showing of success? Don't it prove that August Flower has had unflinching success in the cure of indigestion and dyspepsia—the two greatest enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders—that it has proved itself the best of all liver regulators? August Flower has a matchless record of over thirty-five years in curing the ailing millions of these distressing complaints—a success that is becoming wider in its scope every day, at home and abroad, as the fame of August Flower spreads. Trial bottles, 25c; regular size, 75c. For sale by Dr. J. N. McMillan.

Mission Work Encouraging.

Fayetteville Observer: "The executive committee of Home Missions of the Synod of North Carolina met yesterday. Rev. P. R. Smith, of Asheville; Rev. H. G. Hill, D. D. of Maxton; Dr. J. W. McNeill, of Hops Mills, and Mr. B. F. Hall, of Wilmington, were present. They report that the mission work in western part of the State is very encouraging."

Galveston's Sea Wall

makes life now as safe in that city as on the higher uplands. E. W. Goodloe, who resides on Dutton St., in Waco, Tex., needs no sea wall for safety. He writes: "I have used Dr. King's New Discovery for Consumption the past five years and it keeps me well and safe. Before that time I had a cough which for years had been growing worse. Now it's gone." Ones chronic Coughs, LaGrippe, Croup Whooping Cough and prevent Pneumonia. Pleasant to take. Every bottle guaranteed at All Druggist price 50c and \$1.00. Trial bottle free.

The Psalmist as a Prophet.

In these days of financial crookedness in high places I am impressed when I think of how indifferent these great financiers are to public opinion, with what the Psalmist wrote about similar conditions thousands of years ago. The 73d Psalm, which I read last night, is indeed prophetic. Here it is:

I was envious at the foolish, when I saw the prosperity of the wicked.

For there are no bands in their death; but their strength is firm.

They are not in trouble as other men; neither are they plagued like other men.

Therefore pride compasseth them about as a chain; violence covereth them as a garment.

Their eyes stand out with fatness; they have more than heart could wish.

They are corrupt, and speak wickedly concerning oppression, they speak loftily.

They set their mouth against the heavens, and their tongue walketh through the earth.

And they say, How does God know? and is their knowledge in the Most High?

Behold, these are the ungodly, who prosper in the world; they increase in riches.

Verily I have cleansed my heart in vain, and washed my hands in innocency.

For all the day long have I been plagued, and chastened every morning.

If I say, I will speak thus; behold, I should offend against the generation of thy children.

When I thought to know this is was too painful for me.

Until I went into the sanctuary of God; then understood I their end.

Surely thou didst set them in slippery places; thou castest them down into destruction.

How are they brought into desolation, as in a moment! They are utterly consumed with terrors.

As a dream when one awaketh; so, O Lord, when Thou awakest, Thou shalt despise their image.

They never gripe or sicken, cleanse and strengthen the stomach, liver and bowels. This is the universal verdict of the many thousands who use DeWitt's Little Early Risers. These famous little pills relieve headache, constipation, biliousness, jaundice, torpid liver, sallow complexion, etc. Try Little Early Risers Dr. H. T. Pope & Co.

THE ROBESONIAN.

An infuriated cow on Saturday inflicted severe injuries upon little Eva, the six-year-old daughter of Mr. Geo. Jones, of Chestnut Hill, a suburb of Salisbury. The child was walking in a path when attacked by the animal and fearful marks were made on her face.

Mrs. Jones fought the beast off, and had immediate medical attention given the injured little one. She will wear marks for life, but her injuries will not be worse than this.

Afraid of Strong Medicines.

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually give for rheumatism, not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internally. For sale by Dr. H. T. Pope & Co. Dr. R. G. Rozier.

The inspection of the National Guards will begin March 5th, at Wilmington, and end April 16th at Sanford. Adjutant General Robertson will receive at the end of this week, the deeds for the permanent camp site at Morehead City.

Original Observations.

Many a worthless man has a good disposition.

A merry heart kills more microbes than any medicine.

If you would be respected and happy, mind your own business. Laziness isn't exactly a crime—but it is the next thing to it.

Sins that make you lose your head have the same effect on your heart.

When a man boasts of his humility, you can depend on his hypocrisy.

Some men expect to unload their own sins by confessing those of others.

The way of the transgressor is to acquaint himself with the law in his line.

Sick Headache.

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these tablets as soon as the first symptom of an attack appears. Sold by Dr. H. T. Pope & Co. Dr. R. G. Rozier.

The Raleigh & Charleston Railway, chartered in South Carolina, domesticated itself in Raleigh Monday. It has bought the complete line of the Carolina North-Car., from this place to Marion, S. C. The capital stock is \$850,000.

The Bureau of Construction has sent another racing cutter to Guantanamo for the seamen's races which will take place in connection with the March maneuvers of the fleet in the southern waters. Two boats have also been shipped via the Hamba-g-American Line to Genoa for the Brooklyn, flagship of the Third division, under Admiral Sigbee, to replace those smashed on the stormy trip across the Atlantic.

VINOL'S RELIABILITY

Countless Physicians Join in Recommending Vinol.

Countless physicians and druggists are now prescribing and endorsing Vinol as the most valuable cod liver preparation known to medicine, and it is fast superseding all other forms of cod liver oil.

A prominent physician writes: "I am satisfied that Vinol derives its wonderful life giving and strength-creating power from the medicinal curative element found in the cod's liver. It is the best strength creator and vitalizer for old people, weak women, children, and the convalescent that I ever saw."

Another physician writes: "I could cite many causes where health has been restored in a surprisingly short time by Vinol. I should be very sorry to have to do without Vinol in my practice." It has no equal for hard colds, throat and bronchial troubles.

Now, when you can procure a remedy of such remarkable curative and strength-creating power as Vinol, for the weak, the sick and the aged, and when it fails to accomplish what we say it will, will be refunded your money without question, no asking person should hesitate to try Vinol with such an undoubted standing.

In cases where cod liver oil, emulsions and other tonics fail, Vinol will heal, strengthen and cure. J. D. McMillan Druggist.
