Falls From Cart—Wheel Passes Over Its Face.

The three year old son of Mr. J. P. Scott, of Wisharts township, met with a very painful accident this morning about three miles from Lumberton.

Mr. Scott was on his way to this city, with a cart loaded with produce. While not noticing the little one at the time. It is thought the child leaned to far over the side of the cart and lost his balance as he fell head downwards almost directly under the wheel which inflicted quite a severe wound across the forehead, besides scraping the skin from the side of the face.

Dr. Knox upon a close examination, stated no bones had been broken and that the little fellow, while he may bare the scars of the wound, is not dangerously injured.

Rev. Mr. Durham Pounded.

The members of the Baptist church congregated at Mr. S. McIntyre's residence Tuesday evening and a short while afterwards marched over to the home of their pastor, Rev. C. H. Durham, and proceeded to give him a pounding—a preacher's pounding of provisions and fruit.

After the pounding was over, those present were entertained by music by the teachers and pupils of Robeson Institute.

Hand Was Badly Cut.

Mr. Willis Baxley, an employee of the Prevatt saw mill, met with a most painful accident Tuesday afternoon.

While adjusting a piece of lumber his hand slipped and came in contact with the large buzz saw. The whole back of his hand was severely cut, and two fingers were so badly mangled that they had to be amputated. Dr. H. T. Pope performed the operation. Twenty stitches were taken in dressing the hand.

Joyner has issued an urgent letter to the county superintendents of public schools insisting that they see to it that North Carolina Day (Dec. 14) is observed in all the schools under their supervision and that the special McIver memorial exercises prepared for the day be followed. He appeals, too, for all teachers, children and parents as far as possible to make a contribution on that day to the McIver memorial fund being raised. Prizes of steel engravings of Dr. McIver are to be given to ten schools in each county that give the largest amounts for this fund.

A Well Known Remedy.

One of the oldest, safest and most favorably known remedies in the world to-day is Brandreth's Pills—a blood purifier and laxative. Being purely vegetable they can be used by old or young with perfect safety and while other remedies require increased doses and finally cease acting altogether, with Brandreth's Pills the same dose always has the same effect no matter how long they are taken. One or two pills taken each night for a while is the best thing known for any one troubled with constipation, indigestion, dyspepsia or any trouble arising from an impure state of the blood.

Brandreth's Pills have been in use for over a century and are sold in every drug and medicine store, either plain or sugar-coated.

Resolutions of Respect.

The members of the Women's Home Missions Society of Rowland M. E. Church, impelled by a sense of their great loss in the death of Mrs. Bettie Gibbs Bradley, have adopted the following resolutions:

Realizing that this peculiarly sad bereavement falls heaviest on our beloved pastor, we extend to him our sympathy and pledge him our prayers that he may find comfort where comfort alone can be found—in the tender love of our Heavenly Father.

As a society we wish to express our appreciation of the work done by our loved sister. Her readiness to undertake and her zeal in accomplishing cannot be too highly praised. We feel that her service as an officer in our auxiliary have greatly forwarded the success of our enterprises.

As co-workers with her in a christian organization we feel that we have a right to speak of her fine christian life, wherein she was an example worthy for us to follow and we commend to others that life and spirit.

And still in our grief we claim the right to hold deep in our hearts the sacred joy of an assurance that her life continues in that world where death never comes.

That this expression of our love and respect be recorded on the minutes of our society, a copy sent to the family and one to the Raleigh Christian Advocate and Robesonian for publication.

DISTRIBUTING DEPOT FOR "PITTSBURGH PERFECT" FENCES,

ALL GALVANIZED STEEL WIRES, FOR FIELD, FARM AND HOG FENCING. THE ONLY ELECTRICALLY WELDED FENCE. EVERY ROD GUARANTEED PERFECT.

The DURABLE Fence, None so STRONG. All large wires. Highest EFFICIENCY. LOWEST COST.

No Wraps to hold Moisture and cause Rust.

"PITTSBURGH PERFECT" FENCING. (Standard Style.)

Absolutely STOCK PROOF. We can SAVE YOU MONEY on Fencing. CALL AND SEE IT.

For some time we have been investigating a New Idea in Wire Fencing. After a most careful examination we have been convinced that we have found the best fence made. Below we give some of the points of advantage which we claim for it.

- If You Are Looking for a Fence
- That will Stand Hard Usage;
 - That will not sag down or curl over on the top;
 - That has stays that will not slip;
 - That will conform to uneven ground;
 - That has no slack wires;
 - That does not require an expert to erect;
 - That is Low in Price—

- Then Read What We Guarantee!
- The stays are Electrically Welded to strands, forming a perfect union and an amalgamation with the strands not found in any other fence.
 - No wraps to get loose, or hold moisture and cause rust.
 - No projections to injure stock or tear wool from sheep.
 - Stronger at the joints than any other fence; welded together by electricity.
 - Guaranteed that the wire is not injured at the joints.
 - Guaranteed adjustable to uneven ground.
 - Guaranteed that stays will not separate from strands.
 - Guaranteed all right in every particular.
 - Made by the most modern process and on the latest improved machinery.
 - Most of the weak points in other fences are on account of the way the stays are fastened. Our stays are amalgamated with the strands by means of electricity and the strength of the fence increased a hundred fold over the strength of a fence where the stays are wrapped or clamped on the strands.

If by this time you are interested, come and see our fence and get in your order. If you are skeptical come and be convinced.

We add our personal guarantee to everything claimed for it and would be pleased to submit prices.

Don't fail to see us before buying your Fencing. Don't put it off until you are ready to use it, but place your order in advance, as we cannot carry all sizes in stock.
