AVOID ALUM
AN UNSEEN DANGER
IN FOOD
TO GUARD SHIPS against the unseen dangers at sea, the United States Government maintains lighthouses.
To guard your home against the unseen dangers of food products, the Government has enacted a pure food law. The law compels the manufacturers of baking powder to print the ingredients on the label of each can.
The Government has made the label your protection—so that you can avoid alum—read it carefully, if it does not say pure cream of tartar hand it back and
Say plainly—
ROYAL BAKING POWDER
ROYAL is a pure cream of tartar baking powder—a pure product of grapes—adds the digestion—adds to the healthfulness of food.

We Offer Under One Brand
KEEN KUTTER
a complete line of Chisels. All are forged from the highest quality of crucible tool steel, tempered in oil, full mirror polished, sharpened and hand-whetted on an oil-stone, ready for use. These Chisels belong to the famous KEEN KUTTER brand. They have been tested repeatedly on such hard woods as Hickory and Lignumvitae without losing their edges. Anyone who has used KEEN KUTTER Chisels will tell the same story.
