Sanitarium.

the object of this Sanitarium is to provide for the sick a homelike and quiet institution in which the patient can find that care and attention, which at all times cannot be found at home, and where, by healthful surroundings, competent physic ans, and experienced dursing, the patient has the best changes of recovery. Our building is absolutely new, contains twelve rooms for patients, well equipped room, Stalic Electr cal and X ray outfit, and in fact, everything that makes a first-cless hospital.

Training School for nurses. Nurses supplied to physicians of Robeson and adjoining counties.

Seaboard Ordered to Build Sta-

been decided by the Corpora- must be billed from Lumberlenton, and the Seaboard is or- from Bladenboro: dered to build a station there Counsel for defendant conton; also on petition of L. T. justify them in providing aff Cottingham and others to dis- agent. continue Allenton as a flag station and require the Seaboard to sion is of the opinion that tion and establish agency at or they should not order the disnear Cottingham's mill, to be continuance of the facilities called Bellamy. Mr. E.J. Britt heretofore furnised by defendrepresented Mr. Stansel and ant at Allenton, and that Alothers and Messrs. McLean, Mc-lenton is the most suitable Lean and McCormick represent and convenient place for the ed Mr. Cottingham and others, location of this station. Maj. John D. Shaw and Messrs. McIntyre & Lawrence repre- the defendant erect a station sented the Seaboard. The at Allention for passengers hearing was held here January and freight, commensurate

"Allenton is situated on the the date hereof." Seaboard Air Line Railway between Lumberton and Bladen boro statious, five miles east of Lumberton and nine miles West of Bladenboro:

"Cottingham's Mill is about six and a half miles and Bellamy about seven miles east of Lumberton:

station on this railroad for dren in the hunt for easter eggs, about thirty years; there is a and in the playing of numerous railroad siding there about four games which are always enjoyable hundred yards long which was to children. During the afternoon built by B. Stansel, one of the delightful refreshments were petitioners; the railroad also served. At the conclusion of the has a section-house there; the party, the children went to the location is high and dry, having home of Mr. and Mrs. S. McInnatural drainage:

"There is a siding at Cottingham's Mill, built for the purpose of said mill; the location is low and wet, and not suitable for a station without of eggs was found by Master ditching and drainage; there Robert McIntyre who received is a tram way running out from the prize, a large china Easter Cottingham for the purpose egg. A variety of refreshments principally of hauling timber to that mil:

"Wisharts township com prises the principal territory which would be served by a station at any of these places, and Allenton has been for many years the voting place in this township:

"Alienton is more accessible than the other points mentioned by reasons of the location of roads in this section The railroad crosses Big Swamp a jour three miles East of Allenton; there is no highway for crossing this swamp within a distance of about eight miles on either side of the railroad or ssing, and Allenton was made a flag station to serve the territory immediately Nirth and West, and Yorkville a flag station to serve the territory immediately South and East of Big Swamp:

"The statement of earnings for six months ending October the 31st, 1906, made by the Railroad company, showed that \$75,000 freights at Allenton amounted to \$785,98, and at Cottingham's Mill \$1,499.84; all of this tory will be located there.

freight at Cottingham's Mill was carload and the greater tion at Allenton Within Ninety part of the freight at Allenton was also carload. By the The matter of locating a per-rules of the railroad, all manent station on the Seaboard freights from either of these at Allenton or Bellamy has places going North or West tion Commission in faver of Al-ton, and going South or East

within ninety days. The mat- ceded that the defendant ter was brought up on petition should provide facilities for by Mr. B. Stansel and others to protecting passengers and require the Seaboard to build a freight at some point in this passenger and freight station vicinity, but claimed that the and establish agency at Allen- revenue was not sufficient to

"The Corporation Commis-

"It is therefore ordered that with the revenue and business The commission finds as fol- of the place, and that this be done within ninety days from

"Franklin McNeill" "Chairman."

Easter Egg Hunts.

Mrs. R. C. Lawrence gave an Easter egg hunt to a number of little friends of her charming little daughter, Miss Anna Lawrence, at her home Saturday afternoon from 3 to 5 o'clock. Much "Allenton has been a flag enjoyment was had by the chiltyre, where from 5 to 6 o'clock, they enjoyed themselves at a second egg hant. This being Monday before the first Mongiven in honor of Master Stephen McIntyre, Jr., and Master Osborne Lee. The largest number were served. About twenty five children were present and their evident enjoyment was gratifying to their young entertainers.

Delightful Entertalnment.

Mrs. L. T. Townsend delight fully entertained in honor of "The Young Matrons Club," on Wednesday afternoon, March 27th, from 4 to 6 o'clock. The halls and parlors were beautifulponicas.

A feature of the afternoon was a guessing contest, the answers being well known flowers Mrs. R. L. Correll was successful in carrying off the prize—a silver thimble.

Later in the afternoon the guests were invited into the dining room, where delicious refreshfollowed by ices, was served.

After having spent a most delightful afternoon, the Matrons repaired to their several homes, voting Mrs. Townsend a charming hostess.

The Fayettevill Observer says

tory is to be located at Fayetteville, with a capital from to \$1000,000.

MAXTON NEWS LETTER.

"Shirt Waist" Party Rumors of a Veneer Plant.

Correspondence of the Robesonian Rev. I. E. McDavid, former y pastor of the Baptist church here, spent Wednesday in town. Mayor R. M. Williams spent

Thursday in Hamlet on business. Prof. Frank McLean, in structor in English at the University of North Carolina, is here to spend Easter at the home of his parants.

Your correspondent learns that land has been purchased in the edge of town and that, shortly a vaneer blint will be built. I have not had time to investigate the fumor but it seems to be authen-

The ladies of the Methodist church gave a "Shirt Waist build passenger and freight sta- under the facts in this case Party" in the town hall Thursday night for the benefit of their new church fund. Refreshments were served and quite a neat sum realized.

Mr. Wiggins, father of the edi tor of the Chief, is visiting here this week.

Mr. and Mrs C. C. Spaulding are moving in their home on Saunders street now, Mrs Spauldinghas been at the home of her father inLumberton for some tin . Maxton, N. C., March 30, 1907.

Times for Holding Superior Courts.
