On to College—Protracted Meeting in Progress—Tobacco Selling Well, Farmers Have a Smile and a "Wad" and Merchants Pleased With Sales—Editor Thompson Busy Getting Ready for New Paper—Great Improvements on Main Street—A Sad Death—Great Improvements Being Made in Residences—School Has Opened With Bright Prospects—Personal Mention.

Correspondence of The Robesonian.

Sickness has prevented our writing for some weeks.

Quite a number of our young people have been to Jamestown and more are still to attend. All report a most delightful trip.

Mrs. Egerton and children, of New York, who have been with Rev. T. J. Daily, left for home last week accompanied by Miss Daily, who will spend some time in New York.

Mrs. Vin Faulk and children, of the Iona section, are visiting Mrs. D. C. McMillan.

Miss Annie McMillan is visiting relatives in Jacksonville, Florida.

Miss Agnes Ashley, who is again teaching near Chadbourn, spent last Saturday and Sunday in town.

Misses Annie Lewis, May Thompson and Maggie Pitman left last week to enter the Baptist Woman's University at Raleigh.

Miss Lorena Devane left Monday for Statesville Female College, and Miss Ida Galloway for Greensboro Female College at Greensboro.

Miss Hettie McMillan goes to the State Normal College this week.

Mrs. O. I. Floyd and Mrs. C. A. Floyd are both away visiting their old homes.

Miss Mary Ashley returned last week from a pleasant trip to Georgetown, S. C.

Mrs. A. S. Thompson expects to leave this week for a visit to her son in West Virginia.

Mrs. Sanford and Mrs. Randle left last week for Durham and other points. They will be away several weeks.

Rev. Mr. Douglas, of Raleigh, is assisting Rev. J. B. Jackson, the pastor, in a protracted meeting at Ashpole church. Large crowds are attending and we trust much good is being done.

The tobacco market is holding up finely and nearly every farmer you see has a smile on his face and a "wad" of money in his hand. Merchants are much pleased with the fall trade and are getting in better and more goods than ever before.

The Anderson Hardware Store on Main street is quite attractive. Mr. Anderson has a lovely and well-selected stock.

Editor S. F. Thompson and wife are boarding for the present with Mrs. A. P. Ashley. The press for our new paper came this week and Mr. Thompson is busy getting things in shape.

How to Remain Young.

To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga., did.—She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such an unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and assist in my husband's store. Guaranteed by all druggists. Price 50c."

son is busy getting things in shape.

Great improvements to Main street were recently made, especially claying the street and moving back old stores. It is now wide enough to look nice.

An extremely sad death in town last week was that of Miss Linnie, daughter of Mr. and Mrs. Richard Andrews. She was beloved by all who knew her lovely christian character, and many friends are sympathizing deeply with the bereaved family.

Miss Ransom, a trained nurse of Augusta, Ga., who had been nursing little Miss Katharine Galloway, left Saturday for Columbia, S. C. We are glad to know that Miss Katharine is fast getting well.

Mr. F. G. Taylor was down from Rowland Sunday telling folks good-bye. He will enter the University School of Pharmacy at Chapel Hill next week.

Mr. A. C. Thompson is remodeling his residence on Main street, and also A. L. Jones, on Leesville road. Others are having painting done and are making numerous improvements.

Cotton is coming in very well. Both gins seems busy all the while.

Rev. T. J. Daily and wife attended the Jamestown Exposition last week.

The school has opened with brightest prospect, over one hundred the first week. Prof. Cole and the new assistants, Misses Blue and McMillan, have made a fine impression and we are all delighted to have our dear music teacher, Miss Edmondson, with us again.

Mr. E. Fisher will move in a few days into his handsome new home on Trinity street.

Mrs. F. L. Blue and little son are expected to return from a visit to Spartanburg this week.

Mr. E. W. Floyd is already receiving new fall millinery. Fairmont, N. C., Sept 16, '07.

TO SAIL TO CHARLESTON.

Baron von Pils Organizes the International Transportation Company to Operate a Line of Steamers Between Trieste and Charleston.

Charleston (S. C.) Dispatch, 10th.

Baron von Pils, formerly director of the third-class passenger department of the North German Lloyd Steamship Company, has organized the International Transportation Company to operate a line of steamships between Trieste and Charleston, the first vessel to sail in December. The new line has important connections in Europe. The line will make a specialty of handling immigrants to the South. Baron von Pils was in this country two weeks ago and completed arrangements for the inauguration of the line. This company, it is stated by its promoters, has no connection with the North German Lloyd Company, which announced yesterday that it had no intention to establish steamship connections between Adriatic ports and Charleston.

To check a cold quickly, get from your druggist some little Candy Cold Tablets called Preventics. Druggists everywhere are now dispensing Preventics, for they are not only safe, but decidedly certain and prompt. Preventics contain no Quinine, no laxative, nothing harsh nor sickening. Taken at the "sneeze stage" Preventics will prevent Pneumonia, Bronchitis, La Grippe, etc. Hence the name, Preventics. Good for feverish children. 75 Preventics 25 cents. Trial Boxes 3 cts. Sold by all dealers.

THE RATE LAW.

Best Thing to Do Call the Boys Together and Re-establish Old Rates—It is the Common Man, Who Rides Very Little, Who Suffers—An Illustration Given—Profitable Potato Raising.

Correspondence of The Robesonian.

After several days of real hot and dry weather the heaviest rain we have had this summer came this afternoon, which adds lots to late crops.

Thirty years ago there was nothing ever thought of a man's making money by making and shipping sweet potatoes as a money crop. Mr. Mc. Humphrey, of Saddle Tree, has already shipped this season 125 bushels to Fayetteville at one dollar per bushel. He says he will gather 150 bushels per acre. Now, don't that beat cotton? Mr. E. J. Biggs is also a potato shipper and claims good money in the business. These gentlemen are neighbors of "Tater" Dick, who has made a big thing of the potato business.

There is lots being said and done in North Carolina and other States as well in regard to the railroad rate matter. Now, suppose North Carolina gains the rate fight now in progress, who will be benefited by it? Having been poor for about 58 years, it is a little natural that we would be in sympathy with our brother. Suppose Mrs. A wanted to visit her mama and that it would necessitate a ride of 20 miles on the railroad. She is the mother of 8 children, under 12 years old. All these brats must go to see grandma—not one must be left. At the old rate Mrs. A could buy a first-class ticket for 65 cents and go on rejoicing; at the new rate she could buy a ticket for 45 cents, but alas! she must buy a 45 cent ticket for each of the 8 children and herself, which would make 9 tickets, which would amount to \$4.05. Now, Mrs. A is a poor woman and can't afford that much, so the long-cherished visit is abandoned and by the time she can raise enough to carry out her visit poor old mother is dead and daughter and grand-children have not seen her.

That is not all, either. The railroads were paying 45 cents for cross-ties—it is the common liver that cuts and sells cross-ties, as a rule—and now the railroads say they cannot afford to pay but 25 cents per tie under the new rate law. Who suffers? If you step on a snake's tail if you don't mind his head will come round and bite you; the only way to do is to chop his head off first. Well, I don't think any one can blame the railroads for retaliating at all. While we believe both freight and passenger rates have been too high, in our humble opinion and for the benefit of the common man of North Carolina (who doesn't ride 50 miles on a railroad in a year) the best thing Brother Bob could do would be to call the boys together, re-establish the old rates and everybody go home rejoicing.

Worked Like a Charm.

Mr. D. N. Walker, editor of that spicy journal, the Enterprise, Louisa, Va., says: "I ran a nail in my foot last week and at once applied Bucklen's Arnica Salve. No inflammation followed; the salve simply healed the wound. Heals every sore, burn and skin disease. Guaranteed at all drug stores. 25c."

Southern Test Case Goes Up.

Asheville Dispatch, 15th.

The habeas corpus case on appeal to the Supreme Court of the United States in which James H. Wood, district passenger agent of the Southern Railway Company here, is defendant, will be sent up not later than September 18. The clerk of the United States Court here is at work preparing the record.

This is the case in which Wood was indicted and sentenced to the chain-gang for violating the rate law by selling tickets for more than 2 1/2 cents. Judge Pritchard released the prisoner on habeas corpus and the State's counsel appealed. The case is returnable at Washington on October 8. Judge Pritchard has signed the certificate of appeal and issued the citation. The State's attorneys submit an assignment of nine errors. The chief one is first "that the court erred in assuming jurisdiction of the matter at issue."

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are going to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by all dealers.

Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Gastritis, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop to the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerve, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and yellow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
