'Took Mule's Tall for Rope/ stiantic City Dispatch to New York World.

Mistaking the tail of a mule for papular favor. Two terms well completed, and the country demanding Mr. Roosevelt's continuance in office for a third term, make more secure than could even three terms ir the President cy his exalted place in history.

Mistaking the tail of a mule for an electric light pull rope in the darkest corner of his barn, John McCarthy, of this city, gave the supposed contact line a sharpleric. The lamp did not light, but McCarthy saw stars as the mule responded to the pull with both facts is given to a total of 144,000 homeless men and boys, and up to date nearly half a million of the homeless have had their weary tramp restfully interrupted by this unique ministration. The first of these break-
