> Happy Jack. Mt. Eliam, N. C. Aug. 8, 1908.

Many of the States have already taken up the question of drainage and have passed satisfactory laws which are resulting in the reclamation of large areas of otherwise valueless lands and this has meant a considerable increase in the revenue of the State. It is the great desire of the State Geologist that the rewill permit of the drainage of our vast swamp areas and bring J. A. MacKETHAN, M. D., them into cultivation and thus be practically nothing. Any one desiring further information regarding this drainage convention can write the State Geologist, Chapel Hill, N. C.
