ROR.

Reasons Why the "Advance Legislation Will be a Bone of System" is a Mistake Both on the Part of the Merchant and the Farmer.

for the following reasons:

are not such articles as a high their positions. obliged to carry and carry and carry and carry and possibly may ultimately, as in thousands of cases, be obliged to take the farm, for obliged to take the farm obliged to take which he has no use, and under their stand on the broad principle Wayne L. McNeill, in Charlotte Observer.

Under a cash system there will producing all his food supplies at to the cause. home he has that much more to spend when his crop is made, and

it is cash. is a much greater profit for the merchant than on staple articles of food. The merchant can turn his money in thirty days, instead profit turned monthly is better than 120 per cent gain received NONE annually. Some of the farmers 160.010.21 increased income goes into permanent improvement to enable \$219,786.14 the farmer to produce more and spend more annually.

Again, there is something about raising cotton, tobacco, etc., to pay a debt, that saps the the quality of his tillage. It really lowers the grade of farming. If upon the other hand the merchants will join with us in urgacre they now produce, the result as it affects the merchant

will be this: farmers and eventually will at- dy money. tract manufactures to the market

funds to secure immigration, call meetings to encourage the farmers who know the country and are loyal to it, to universally adopt the following plan: First, adopt the following plan: First, the image is a secure loans. If the cotton farmer is not forced to sell or raise money or pay debts he will store his crop on his farm and maket at his leisure, which is in the interdial the warehouse so as to secure loans. If the cotton farmer is not forced to sell or raise money or pay debts he will store his crop on his farm and maket at his leisure, which is in the interdial the warehouse so as to secure loans. If the cotton farmer is not forced to sell or raise money or pay debts he will store his crop on his farm and maket at his leisure, which is in the interdial the warehouse so as to secure loans. If the cotton farmer is not forced to sell or raise money or pay debts he will store his crop on his farm and maket at his leisure, which is in the interdial the warehouse so as to secure loans. If the cotton farmer is not forced to sell or raise money or pay debts he will store his crop on his farm and maket at his leisure, which is in the interdial the warehouse so as to secure loans. If the cotton farmer is not forced to sell or raise money or pay debts he will store his crop on his farm and maket at his leisure, which is in the interdial the warehouse so as to secure loans. If the cotton farmer is not forced to sell or raise man, picking the feathers from an wild turkey and at the same time trying to explain to the jeer-his warehouse will be a wild turkey and at the same time trying to explain to the jeer-his warehouse will be a wild turkey and at the same time trying to explain to the jeer-his warehouse will be a wild turkey and at the same time trying to explain to the jeer-his warehouse will be a wild turkey and at the same time trying to explain to the jeer-his warehouse will be a wild turkey and at the same time trying to explain to the jeer-his warehouse will be a wild turkey and at the same time trying to expla from the farm. Second, double tuy him out.

I should not speak so positively, only I have observed for a Farmers' Cooperative Demonsquarter of a century that where the Southern merchants have changed from an "advance systo a cash system, they

A Cure For Misery.

"I have found a cure for the misery malaria poison produces," says R. M. James, of Louellen, S. C. "It's called Electric Bitters, and comes in 50c bot-tles. It breaks up a case of chill or a billious attack in almost no time; and it

A COMMON ECONOMIC ER- STRONG ANTI-TRUST-BILL.

Contention-Lack of Leaders.

Boylin's Jewelry Store

For many years it has been the custom of Southern farmers to make their crop upon the "adding their crop upon the "adding the present General Assembly. During the first few days of the session opinion was discussed by the peculiar antics of a number of hyperson and while this has a second of the present General Assembly. During the first few days of the session opinion was discussed by the peculiar antics of a number of hyperson and the present General Assembly.
