#### How to Increase the Yield of Fruit

Increased fruit crops are more often the result of good management than of good luck. Fruit trees and fruit plants need a liberal

#### Virginia-Carolina **Fertilizers**

The trees absorb plant foods-that is, nitrogen, phosphoric acid and potash-from the soil just the same as any other crop. Experience has shown this over and over again. This truth has become so well recognized that "return to the land what he tree removes if you would expect the best results" has become an axiom with the best

Apple, pear, peach, orange and other fruit trees soon respond to careful fertilization. But be sure to use the best fertilizers.

"I made a test with other companies' fertilizers," says Mr. H. O. Lowry, of Manatee County, Fla., "and yours proved to be the best. The yield where I used Virginia Carolina Fertilizer, was just twice as much as where the other two companies' fertilizer was used." Hundreds of users say Virginia Carolina Fertilizers are cheapest because of their good qualities-give better satisfaction and quicker

Many facts of great interest and value to fruit growers are pu lished in the new 1909 Farmers' Year Book, a copy of which will be sent free on application to any of our sales offices.

The Men Who Spoke.

The exercises at the Lincoln farm began at noon. The opening address was delivered by ex-Governor Folk. who spoke on "The Lincoln Farm Asociation." He was followed by Governor Willson, whose theme was "Linoln's Mother State." Then came President Roosevelt, whose "Lincoln Centennial Address" was received with earnest attention and at its close with great applause. The president's successor as orator was Secretary Wright, who spoke for "The Confederate Veteran." Last on the list of speakers was General James Grant Wilson, the well known writer and orator, who spoke for "The Federal Veteran." The laying of the cornerstone followed the ad-

President Roosevelt spoke as follows: We have met here to celebrate the hundredth anniversary of the birth of one of the two greatest Americans; of of the nineteenth century; of one of the greatest men in the world's history. This rail splitter, this boy who passed his ungainly youth in the dire poverty of the poorest of the frontier folk, whose rise was by weary and painful labor, lived to lead his people through the burning alike of the men who were the blue flames of a struggle from which the and the men who were the gray, so nation emerged, purified as by fire, this whole nation will grow to feel a born anew to a loftier life. After long years of iron effort and of failure that of the mighty men who mastered the came more often than victory, he at mighty days, the lover of his country last rose to the leadership of the re- and of all mankind, the man whose public at the moment when that leadership had become the stupendous world task of the time. He grew to know Abraham Lincoln.

With its issue of the 2d The Farmer and Mechanic, published at Raleigh and founded in 1877 by Randolph A. Shotwell, comes under the management of Mr. V. C. Moore. The style of the paper has been changed from a 7column, 8-page paper to 4 col- work. He will open a campaign umns, 16 pages.
