Farmer's Meeting Adjourns

Some Resolutions Adopted.
The North Carolina Farmers' Convention closed its annual session today after spending four days in close study of the latest and most approved methods of farming in connection with the splendid farming equipment of the A. & M. College and instruction by college experts and especially equipped men from the State Department of Agriculture and distinguished agriculturalists from Washington and elsewhere.

The convention has elected Hon. John W. Blount, of Roper, president to succeed A. L. French. Other officers were re-elected. The convention adopted a series of resolutions calling on agriculturists generally to use the most improved machinery, conserve the soil, the raising of more live stock on the farms and interest in road building. A paragraph of the resolutions declares "We also join other farmers' organizations in protesting against indiscriminate immigration from Southern Europe. We welcome most heartily men of our own stock, especially wide awake western and northern farmers, men who speak our language and know our institutions, many of whom have made themselves leaders in Southern development, but we do not believe in wholesale immigration of Italians, Poles, Russians, etc."

TWO NEGROES LYNCHED.

Man Hunt and Lynching in Georgia—Negro Shoots Six.

Two negroes lynched and a posse in pursuit of the wife of one of the victims, the killing of the posse, the probably fatal injury of the sheriff of Montgomery county, and the wounding of four other members of the posse, summarizes the result of one of the most exciting man hunts this section has ever known.

Ben Clarke, an escaped convict from the Bibb county chain gang, was shot to death after a fierce battle early today, and his body burned. The negro threatened to kill Nicholas Adams, a merchant of Kibbe county, "and a hundred others."

John Sweeney, who harbored the ex-convict, was taken from a passenger train a mile from Tarrytown to-night and lynched.

The posse then set out in search of Sweeney's wife, who it is said, was in the neighborhood.

James Durde, a prominent planter and member of the posse which captured Clark, was shot and killed instantly. The other members of the posse who were shot by Clark were Sheriff James Lester, Walter Simmons and three others unknown. The officer received an ugly wound in the breast.

The posse found Clark in Sweeney's house. Sweeney's wife was at home, but Sweeney was absent. The sheriff called on Clark to surrender. For answer he received a 44-calibre bullet fired from a rapid fire gun.

Durde was shot and other members of the posse fell before the torrent of lead dealt out by the negro. He continued to fire until his ammunition was exhausted. He was then overpowered and his body riddled with bullets. He wore a steel breast plate that turned Winchester bullets. A pile of logs was covered with crude turpentine and the body cremated. In the excitement the woman escaped. The events of the day fired the intense spirits of the posse, and it is said she cannot evade the search that is being conducted tonight.

Sweeney was caught near here late this afternoon. He was carried aboard a northbound train to a secluded wood near Tarrytown, where his body was riddled with bullets after being swung up to a sapling.

Mr. A. L. Bullock, of Rowland, in town today.
