Recommends

Vinol

For Weak, Run-Down People.

"I was run down and weak from indigestion and general debility, also suffered from vertigo. I saw a cod liver preparation called Vinol advertised and decided to give it a trial, and the results were most gratifying. After taking two bottles I regained my strength, and am now feeling unusually well." — HENRY CUNNINGHAM, Elder Baptist Church, Kinston, N.C.

Vinol contains the two most world-famed tonics—the medicinal, strengthening, body-building elements of Cod Liver Oil and Tonic Iron. Vinol contains no oil, and is by far the Best Strengthening Tonic obtainable. We return your money without question if Vinol does not accomplish all we claim for it.

STATE NEWS.

A charter has been issued for the Jackson Railroad Co. for the construction of a railroad 18 miles long from Sylvia, on the Murphy branch of the Southern Ry., to Tackasee, Jackson county.

The State Board of Education, in session in Raleigh Saturday, made financial arrangements for paying the State's part of the expense of the survey for the proposed drainage of the Mattamuskeet Lake district in Hyde county for reclaiming that vast acreage of lands believed to be of great value for agricultural purposes, once it is properly drained. The work of the drainage is to be pushed to the speediest possible completion, the survey being now well under way under order of court in the drainage district proceedings.

Dr. Eben Alexander, dean of the University of North Carolina, died suddenly Friday in Knoxville, Tenn., where he was visiting his son. He became professor of Greek at the University in 1886. In 1893 he was appointed minister to Greece and returned to the university in 1897.

Mr. M. W. Christenbury, a substantial farmer living near Derita, Mecklenburg county, was run over by an automobile near Derita late Saturday afternoon and received injuries from which he died a short while thereafter. The machine was numbered 1313, belongs to Mr. Jeremiah Goff, of Charlotte, was occupied by Mrs. Goff and her guest, Miss Ellen Norfleet, of Winston-Salem, and was driven by George T. Evans, colored. In trying to dodge the car Mr. Christenbury became excited and jumped in front of it. The colored chauffeur was arrested and placed in jail. The coroner's jury found that Evans was guilty of criminal negligence and he will be held without bail pending trial.
