MT. ELIAM MATTERS.

Hog Bites off Goose's Head—Hunting Applicant for Marriage License—Other Matters.

Correspondence of The Robesonian.

Mt. Eliam, March 28—Messrs. R. M. and Guy Phillips, Stacy Martin and Haynes Branch, of Beulah, spent Sunday in these parts.

Mr. Fulton Parker is visiting relatives near Fairmont.

Picture agents are too thick around Mt. Eliam for the best.

Mr. Jno. K. Britt went to Evergreen today on business.

The old dancing, whistling, singing rabbits are getting the first and last of the cabbage. They have about cleared the gardens.

Mr. J. Z. Stone had a hog and a goose. The goose put her head through a crack in the pen for the purpose of getting some corn, but she got something quite different from corn: the hog just simply bit the goose's head off at her eyes, but it lived a day thereafter.

Mr. Ed. Bissell, who went from Mt. Eliam to Edgemore, Tenn., last year is now in the State of Illinois. He says a man can get \$25 per month and board and washing done to work on a farm in that State. We wish Mr. Bissell much success in his new home near the Great Lakes.

The register tried to serve marriage license on Happy Jack, some time not many moons since. I was in Messrs. White & Gough's store at Lumberton when a man came to me and said, "You can get the papers now." I did not know what he meant, but I meant to run if I did not find out something. He said, "Are you not the boy that called at the office just now and wanted the license and did not know how old your soon-will-be-wife was?" "No," says I, "I wish I was, but I'm not that near in trouble yet." He said he believed I was the same boy, or I looked like him. He had found out how old the boy's darling was and was hunting the boy.

I think that the typos must have been feeling their coffee last week, as they got cotton seed meal bread in my letter. But it needed something in it and bread is all right.

Our farmers continue to haul fertilizers, but they have struck on using 8-2-2; they want the kind that makes a bale of cotton and 50 to one hundred bushels of corn to the acre.

Mr. D. C. Martin has gone to Lumberton on business today.

Mr. T. Britt's mule ran away Sunday and broke the wagon he was hitched to and Mr. Britt was badly shaken.

Mr. Enoch Britt spent Sunday in these parts.

Mr. Arch Graham, of Tolarsville, was in these parts Sunday. Mr. Thurman Mercer, of Bellamy, spent Saturday and Sunday at Mt. Eliam.

Mr. Oliver Britt and family, of East Lumberton, visited friends here Sunday.

Misses Meekie and Maggie Graham, of Proctorville, attended preaching here Sunday.

Mr. and Mrs. Andrew Watts, of Ten Mile, spent Saturday and Sunday here.

"Happy Jack."

Medicines that aid nature are always most successful. Chamberlain's Cough Remedy acts on this plan. It loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by Dr. J. D. McMillan & Son and The Pope Drug Co.

VIRGINIA-CAROLINA GAME.

Great Preparations Being Made—in Charlotte for Great Athletic Event.

Special to The Robesonian.

Charlotte, March 28—The University of Virginia and the University of North Carolina baseball teams will cross bats in Charlotte April 9th for the championship in college baseball for the South.

This is the first time athletic teams representing the respective universities have ever met in the Queen City.

The greatest interest possible is being taken by everyone in this important college athletic contest. Charlotte is easily the best equipped city between Richmond and Atlanta to entertain the teams of these two large universities and the thousands of visitors from all parts of the two States that will come here to witness the game. Great preparations are being made to entertain this game and the crowd. Already arrangements have been made to have the city fittingly and appropriately decorated with both university colors and music will be furnished by several of the nearby bands.

Charlotte has the hotel facilities to accommodate all who may come, the quickest and most comfortable car service to be found, and the best baseball diamond and the largest and most commodious bleachers, grand stand and ball park in the State.

The game is being systematically advertised in every city, town and village within a radius of a hundred miles of Charlotte and all local papers will carry special notices of the game and the entertainment which Charlotte will furnish those who attend.

The lovers of baseball in this section of North Carolina have long wanted this game to come to Charlotte and a royal feast is in store for everyone. There will not be a dull minute during the day and evening. There will be something to entertain everyone.

In the evening a dance will be given at Charlotte's large auditorium complimentary to the two teams of the two universities and the out-of-town guests. The best of music will be furnished for the dance and refreshments will be served during the evening.

Application has been made and reduced round trip rates will be offered by all of the railroads entering Charlotte, tickets will be good until midnight Sunday of the 10th. The day, Saturday, is an ideal one, being a half holiday and an immense crowd will attend. You can meet all your friends here and we want you to come and be our guest on that day. Other and important announcements will be made later through the Charlotte daily papers and the local county papers in all sections of the State, so look for them.

In the meantime be making your arrangements to come and bring your friends.

Chamberlain's Stomach and Liver Tablets invariably bring relief to women suffering from chronic constipation, headache, biliousness, dizziness, sallowness of the skin and dyspepsia. Sold by Dr. J. D. McMillan & Son and The Pope Drug Company.

Wood For Sale.

Slabs and strips cut into stove lengths, one-horse load 25 cents, two-horse load 50, at the mill, at old fair grounds. Kingsdale Lumber Co., Lumberton, N. C. 1-31tf.

Put in Your Screens.

It is as much a case of criminal carelessness to neglect to screen the house and store from flies as it is to needlessly expose the baby to a case diphtheria or smallpox.

In these days of cheap wire cloth, adjustable window screens and low priced screen doors the poorest householder can ward off the disease and the filth that the fly carries around on his legs and wings. If the people themselves will not take steps to keep the fly out of the house and store, the law should demand it, through health boards and medical societies. Every department store and every hardware merchant should urge sales of window screens and screen doors. Keep these before the eyes of the customers continually from now on throughout the summer and fall. Talk screens and advertise screens.
