**GOSPEL OF GOOD BUSINESS**

While other stores resemble some deserted cemetery with monuments of high prices looming up before their idle employees, who seem to act as Sextons to watch over the remains of dead trade and toll the funeral knell to exorbitant prices, we are on the jump and busy as bees waiting upon big crowds who have come to the biggest and most aggressive establishment in the South, at the sound of the bugle spreading forth among the people news of the biggest bargains ever heard of this side of Mason and Dixon's line. When we shout bargains they are here, piled from floor to ceiling and exactly as rep-

resented. Truthful advertising linked with Genuine Bargains draw the people: This has been proven by the big crowds that daily flock to our Big Department Stores. In addition to our heavy purchases from manufacturers and mill agents we have just bought from a firm retiring one of the LARGEST STOCKS OF GENERAL MERCHANDISE handled since our entering the mercantile field. This immense stock has arrived, is being marked and will be placed on sale Tuesday, April 26th. It was spot cash that made this deal possible for you to secure the greatest bargains ever offered a trading public.

**Cast Your Eyes Over Just a few of the Many Bargains we are Offering. Read Every Line. We invite the people of Robeson and adjoining Counties to come and come quick.**
