Attention
Farmers!

We have the best Cultivator on the market, in our opinion. You can either ride or walk. One man and two mules can do the work of three men and three mules. You can cultivate the whole row as you go, no splitting middles. We can't see how any progressive farmer can afford to be without one or more of these valuable machines. Come and get one and be convinced. The price is right, the terms are right. Come before they are gone, only a few left.

Yours for progress,

FOR CONSTIPATION.

A Medicine that Does Not Cost
Anything Unless It Gives Satis-
factory Relief.

If you suffer from constipation in any form whatever, acute or chronic, we will guarantee to supply you medicine that we honestly believe will effect permanent relief if taken with regularity and according to directions for a reasonable length of time. Should the medicine fail to benefit you to your entire satisfaction we promise that it shall cost you nothing.

No other remedy can be compared with Rexall Orderlies for the easy, pleasant and successful treatment of constipation. The active medical ingredient of this remedy, which is odorless, tasteless and colorless, is an entire new discovery. Combined with other vegetable ingredients, it forms a preparation which is incomparable as a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy, and are notable for their gentle and agreeable action. They do not cause griping or any disagreeable effect or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children and for delicate or aged persons, because they do not contain anything injurious. Unlike other preparations, they do not create a habit, but instead they overcome the habits acquired through

the use of ordinary laxatives, cathartics, and harsh physic, and remove the causes of constipation or irregular bowel action that are not of surgical variety.

We want you to try Rexall Orderlies at our risk. We know of nothing that will do you so much good. They are prepared in tablet form in two sizes: 36 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Lumberton only at our store.—The Rexall Store, J. D. McMillan & Son.

Athletic & Social Club—Perma-
nent Organization Formed.

A meeting of the Athletic & Social Club was held Friday evening in the court house and the temporary organization formed at the previous meeting was made permanent—A. T. Parmele, president; A. P. Caldwell treasurer; G. S. McKenzie, secretary. A committee was appointed to draft constitution and by-laws, composed of the following: Revs. R. E. Sentelle, E. M. Hoyle, Messrs. D. P. Shaw, J. A. McDougald, R. R. Carlyle, Messrs. Robt. Prevatt, Shep. Nash, R. R. Carlyle, A. P. Caldwell and Rev. R. E. Sentelle were appointed a committee on membership. E. M. Hoyle, R. E. Sentelle and J. B. Bowen were appointed a committee to ascertain cost of athletic equipment, etc. Another meeting will be held tomorrow evening.

Impossible to be Well

It is impossible to be well, simply impossible, if the bowels are constipated. You must pay attention to the laws of nature, or suffer the consequences. Undigested material, waste products, poisonous substances, must be removed from the body at least once each day, or there will be trouble. A sluggish liver is responsible for an immense amount of suffering and serious disease. Ask your doctor about Ayer's Pills. He knows why they act directly on the liver. Trust him. J. C. Ayer Co., Lowell, Mass.
