MT. ELIAM MATTERS.

With the Candidates—Wonderful Prayermeetings—Store Burned at Orrum—Time to Live at Home—Other Matters.

Correspondence of The Robesonian.
 Mt. Eliam, May 27—We are having some rains that are doing much good. Crops are looking fine. Though old winter was a faithful friend who never left us till the comet changed its course in a direction from the earth, our people never shed a tear when they bid it farewell.

The next big thing will be the primary election. I don't know who will "out-run" in the race for Congressman, but I am persuaded to believe if any of our candidates leave Maj. Sandy McKinnon they'll have to call on "dad." Hurray for Sandy!

Don't suppose it's any use to say anything in favor of Mr. M. G. McKenzie for treasurer, for everybody knows when you get the best horse there is it's no use to trade, and when we get the best man for treasurer (and we have got him) it's no use to make any change.

Mr. and Mrs. Babe Moore and child, Lina, of Lumberton, spent Sunday near here.—Mr. Nolon Stone and family spent Sunday here.—Mrs. Mollie Britt, of Bloomingdale, spent Sunday with Mrs. I. V. Britt.

One of our citizens started to carry some chickens to Boardman one day recently and one got out of the box before he got to Boardman and "lit the rag." Well, that man looked like chickens was two dollars each by the wholesale. Mr. Leonard Britt, the runningest man in town, happened to be along and by the help of a wire fence caught "Polly."

Mr. I. V. Britt is tickled almost to death: it's another boy. Sorry to report the illness of Mr. C. M. Britt's child.

The prayermeeting is growing. Everybody is requested to be present every Wednesday night. The prayermeeting which is held at Mr. Joe Britt's every Sunday and Tuesday night is doing great good all through this country. Old people say they never have seen such a prayermeeting. There were more than 300 people present Sunday night. Many souls are being saved. Thirteen professed Tuesday night. May the good work continue.

The members of the church are requested to meet at 4 o'clock Sunday for the purpose of organizing a Laymen's Movement. Thad. Stone and Grover Britt are expected to speak on the subject of missions and the Laymen's Movement.

There was a man in these parts one day recently holding down a low job: he was throwing out whiskey advertisements at people's doors. Guess he is getting a good salary to help rob our country.

Mr. W. O. Britt's store at Orrum was burned this morning about daybreak. Don't know the cause or origin of the fire.

When I opened my mail box yesterday I found a squirrel which Uncle Sam had brought. Did you ever get a squirrel through the mail?

Boardman is afflicted, or a part of it, with smallpox; and a mill town is a fine place for smallpox to take its course.

It looks like the meat eaters will have to have their wages raised. Pa sold some today for 20 cents per pound. It's a big thing for a man who has it to sell but a bigger thing for one who has to buy. It's getting high time to live at home.

The Children's Day exercises will be held the second Sunday in June at 10 o'clock. We are expecting some speakers besides the children. Everybody is invited to be present.

Mrs. R. S. Britt is almost up with Lumberton on the peach question; she had plenty of ripe peaches the 20th of May.

Mr. H. T. Bissell attended court at Lumberton last week. Chopping cotton is the order of the day with

Happy Jack.

The Democratic executive committee of the fifth judicial district met in Wilmington Monday and selected Wilmington as the place and July 8 as the date for the convention. The only matter of importance before the convention will be the nomination of a candidate for solicitor. There are three candidates in the field.—H. A. Grady of Clinton, H. D. Williams of Kenansville, H. E. Shaw of Kinston.

Nurse Says:

"I know what is good for young and old people," writes Mrs. Clara Dykstra, a trained nurse of South Bellingham, Wash., "and will say that I consider Cardui the best medicine for girls and women. It makes them feel like new persons, relieves their pain and regulates womanly troubles. Both my daughter and I received great benefit."

Take CARDUI

The Woman's Tonic

As a medicine for female trouble, no medicine you can get has the old established reputation, that Cardui has.

Fifty (50) years of success prove that it has stood the greatest of all tests—the test of TIME.

As a tonic for weak women, Cardui is the best, because it is a woman's tonic. Pure, gentle, safe, reliable. Try Cardui.

At a meeting of the lodge in a 'wayback village a member suggested that cuspidors be secured. "I move, Mr. President," said an ever-ready member, "that the executive committee be empowered to employ two competent cuspidors to serve during the ensuing year."—Everybody's Magazine.
